Trail along with Archie into the middle of this muddle as he tracks the arc of history and finds that it has rounded itself off into a circular firing squad In this antic and brilliant assault on our past and present Jules Feiffer shows us once and for all that if there s one thing Americans hate it s learning from past mistakes Every twenty years or so a new generation must address new biases and injustices that are virtually identical to past biases and injustices But who remembers Exposing the tragically cyclical path of American history Jules Feiffer pens the final installment to a noir masterpiece

The Last Prussian Charles Messenger,2012-01-23 The renowned WWII historian s in depth biography of the Nazi military commander who played a key role in the invasions of Poland France and Russia Field Marshal Gerd von Rundstedt was one of the most important German commanders of the Second World War He served on both the Western and Eastern Fronts of World War I

and rose steadily through the ranks of the German army before retiring in 1938. Then only a year later he was recalled to help execute Hitler's invasion of Poland. He played a leading part in this and the subsequent invasion of France. Thereafter he commanded Army Group South in the assault on Russia before being sacked at the end of 1941. Recalled again, Rundstedt was made Commander in Chief West and as such faced the 1944 Allied invasion of France but was removed that July. He resumed his post in September 1944 and had overall responsibility for the December 1944 Ardennes counter-offensive. Captured by the Americans, he gave testimony as a defense witness at Nuremberg. Though he was charged with war crimes, he was spared trial due to his ill health.
