Aromatherapy For Health Professionals:

Aromatherapy for Health Professionals E-Book Shirley Price, Len Price, 2011-11-11 *Aromatherapy for Health Professionals* covers the full spectrum of theory and practice from essential oil science and the foundations of practice to the application of aromatherapy for specific conditions. The fourth edition of this highly successful book provides a clear and authoritative introduction to aromatherapy as practiced in modern health care settings. It gives valuable information for any health professional wishing to develop their understanding of the subject, providing the in-depth knowledge needed to use essential oils in the practice environment. NEW FOR THIS EDITION: Two new chapters, Wound Care and Bereavement, provide valuable additions to the text. The chapter, Aromas, Mind and Body, has been enhanced. Several new essential oils, giving properties, indications, and cautions, have been added. New case histories illustrate the practical application of theory and techniques described. References have been updated and new research added. The book is supported by a CD-ROM of ancillary tables covering essential oils for general use in health care settings, including indications for safe therapeutic uses of essential oils, those to be used with caution, and essential oil definitions.

Aromatherapy for Health Professionals Revised Reprint E-Book Shirley Price, Len Price, Penny Price, 2021-02-16 Now in its 5th edition, *Aromatherapy for Health Professionals* is an essential resource for professionals wishing to practice aromatherapy in a clinical setting. It covers the theory and practice of essential oil science and the application of aromatherapy for specific conditions, giving an evidence-based, in-depth presentation of the subject. Written by a highly experienced team of aromatherapists, this book is an authoritative guide for anyone seeking to use essential oils in a modern health care setting. Contains an A-Z of essential oils, including their chemistry and properties, allowing therapists to select the most effective oils for use in a clinical situation. Details the appropriate essential oils for different health conditions. Features case studies to help the reader understand how to put the theory into practice. Fully referenced and evidence-based for use in a clinical setting.

Aromatherapy for Health Professionals Shirley Price, Len Price, 1999 *Aromatherapy for Health Professionals* provides a clear, authoritative reference to aromatherapy for serious students and therapists open to natural and alternative answers in modern healthcare settings. The authors demonstrate how aromatherapy and aromathology can bring real therapeutic help to many patients. Hundreds of references on the properties and actions of essential oils have been sourced.
