Ariel S Desire:

Ariel ,1881 **Territory of Desire** Ananya Jahanara Kabir,2009 A result of territorial disputes between India and Pakistan since 1947 exacerbated by armed freedom movements since 1989 the ongoing conflict over Kashmir is consistently in the news Taking a unique multidisciplinary approach Territory of Desire asks how and why Kashmir came to be so intensely desired within Indian Pakistani and Kashmiri nationalistic imaginations Early Modern Black Diaspora Studies Cassander L. Smith,Nicholas R. Jones,Miles P. Grier,2018-10-03 Early Modern Black Diaspora Studies brings into conversation two fields Early Modern Studies and Black Studies that traditionally have had little to say to each other This disconnect is the product of current scholarly assumptions about a lack of archival evidence that limits what we can say about those of African descent before modernity This volume posits that the limitations are not in the archives but in the methods we have constructed for locating and examining those archives The essays that make up this volume offer new critical approaches to black African agency and the conceptualization of blackness in early modern literary works historical documents material and visual cultures and performance culture Ultimately this critical anthology revises current understandings about racial discourse and the cultural contributions of black Africans in early modernity and in the present across the globe **The Semantics of Opinion** Melanie Bervoets,2019-11-16 This volume sets out to provide a semantics for the future directed opining verbs a novel class whose members are used to describe subjects externally attested opinions toward future possibilities Including verbs like recommend promise and permit the class can be situated within a broader range of opinion verbs including the well known propositional attitudes and key to the investigation here are differences among these groups along the lines of available event types interaction with the common ground and restrictions on subjects and objects Other important semantic topics implicated in the discussion are dispositions free choice disjunction and Neg raising embedded NPI licensing and the host of new data associated with the future directed opining verbs prompts surveys of the expanded scope of these phenomena and corresponding re evaluation of existing theories Collectively the contributions of this work deepen our understanding of predicates that describe opinion and disposition and how these interact with fundamental logical operations like negation and disjunction highlighting the crucial role of contextual factors like relevance for these processes An Elaborate History and Genealogy of the Ballous in America Adin Ballou,1888 Maturin Ballou was settled in Providence Rhode Island as early as 1646 where he married Hannah Pike Four of their six or seven children survived Descendants are scattered throughout eastern United States Ariel's Desire Aimée Thurlo,1987 Defining Shakespeare MacDonald Pairman Jackson,2003 That very great play Pericles as T S Eliot called it poses formidable problems of text and authorship The first of the Late Romances it was ascribed to Shakespeare when printed in a quarto of 1609 but was not included in the First Folio 1623 collection of his plays This book examines rival theories about the quarto's origins and offers compelling evidence that Pericles is the product of collaboration between Shakespeare and the minor dramatist

George Wilkins who was responsible for the first two acts and for portions of the brothel scenes in Act 4 Pericles serves as a test case for methodologies that seek to define the limits of the Shakespeare canon and to identify co authors A wide range of metrical lexical and other data is analysed Computerized stylometric texts are explained and their findings assessed A concluding chapter introduces a new technique that has the potential to answer many of the remaining questions of attribution associated with Shakespeare and his contemporaries Kant's Religion within the Boundaries of Mere Reason Gordon Michalson, 2014-04-17 This volume provides a synoptic view of Kant's major work of religious thought **Ariel's Journey** Doug Kane and Christy Wood, 2008-03 When you combine teenage girls with Icelandic Horses you create a magical mixture that is able to defeat evil and turn foes to friends Medical Aspects of Human Sexuality , 1979
