Armageddon The Alpha And The Omega:

Armageddon: the Alpha and the Omega Bonnie Bell, 2014-12-31 Armageddon the Alpha and Omega looks at the Bible in a whole new light Never before exposed information is revealed in this book Digging deep into the pages of the Bible this little book will discuss the beginning the reason mankind was created reincarnation dinosaurs and the end There is no subject that has been left off the table For you see there was nothing hid that would not be revealed or hid that would not be made known Luke 8 17 and Mathew 10 26 In Ezekiel the prophet mentions a wheel within a wheel when the Lord descends from heaven This has spawned the idea that the Bible is about space aliens Are those who live in heaven space aliens I leave this up to the reader to decide Armageddon The Alpha and the Omega is just a fraction of the wisdom and insight obtained by Bonnie B Bell This book is a culmination of over 40 years of research experience and education With degrees in business management and a lengthy career in executive sales as well as living abroad for many years Bell has turned her attentions to a nearly lifelong thirst for knowledge and truth **Armageddon II** Bonnie Bell, 2013-12-23 Armageddon II the Alpha and Omega will look at the Bible in a whole new light Never before exposed information will be revealed as this book digs deep into the pages of the Bible For you see there is nothing hid that would not be revealed Luke 8 17 Mathew 10 26

Armageddon's Glorious End David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve **An Epic Tale of the People of the Covenant (The origin of Christianity)** Atsushi Murakami, 2021-02-26 Last year 2019 I published the 6th edition of my book The Origin of Christianity with the subtitle An Epic Tale of the People of the Covenant paying attention to the fact that Christianity was born from the church movement that had occurred in the process of the people of the Covenant scattered all over the world after they had migrated from the Fertile Crescent at the mouths of the Tigris and Euphrates rivers to the Promised Land Canaan However later it became clear that the Ephraim and Manasseh only who possess the genetic characteristics of Paleo Mongoloid among the twelve tribes of Israel played an important role not only in the

conquest of Canaan but also in the eastern transmission of Christianity Thus this time I deliver this 7th edition with the main title of An Epic Tale of the People of the Covenant In creating the augmented part of the 7th edition I got many hints from the blog of Protestant Bible commentator Mr Arimasa Kubo who was the first pastor of the Ikebukuro Nishi Church and used them as the reference December 2020 Atsushi Murakami **Nazarene Commentary** Mark Heber Miller,2010-11-13 At my birth in Norfolk Virginia September 24 1938 my mother June prayed I would become a teacher or minister Now at 72 years of age after 45 years as a pastor teacher and missionary I can thank her for her prayers for they were fulfilled beyond her most hopeful dreams I look back on 60 years of Biblical studies beginning when I first completed reading the King James Bible at the age of 12 I have been in love with the Scriptures and reading writing in general and always wanted to publish a new edition of the New Testament The Revelatorium Delahnnovahh-Starr Livingstone,2014-04-20 A brilliantly startling book The Revelatorium reveals the entire Intelligent Design of Creation comprising the actual Principles and Rules by which all of Creation has been blueprinted and expressed and which has never been revealed before Mankind before The Revelatorium is about Reality where Reality includes the nine hundred trillion light year Universe on the other side of the veil Divine decree, and free will: or, More notes on prophecy [an interpretation of the book of Revelation] by the author of 'The spiritual and physical history of our fallen and redeemed world'. Divine decree,1878 The Wedding of the Lamb James L. Papandrea,2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church **The Impending Apocalypse** Pasquale De Marco,2025-05-03 The Impending Apocalypse is a comprehensive guide to the end times providing a clear and concise overview of the major prophetic events that are about to take place Drawing on the latest scholarship and insights from leading experts this book will help you to understand the times in which we are living and to prepare for the challenges that lie ahead In this book you will learn about The signs of the times and how they are being fulfilled in our world today The coming tribulation the battle of Armageddon and the millennial reign of Christ The importance of prophecy and the need for preparedness How to live in hope in a world that is growing increasingly dark The Impending Apocalypse is not intended to be a comprehensive study of prophecy Rather it is a brief overview of the major prophetic events that are about to take place Our goal is to provide you with a basic understanding of these events so that you can be prepared for what is to come The Bible tells us that the day of the Lord is coming like a thief in the night It is a day when the heavens will be rolled up like a scroll and the elements will melt with fervent heat The earth and all that is in it will be burned up This is a sobering

thought but it is also a reminder that we have a hope that transcends this world We have a hope that is anchored in the promises of God No matter what the future holds we can be confident that God is in control He is the Alpha and the Omega the beginning and the end He is the one who holds the future in his hands So let us not be afraid Let us not give in to despair Let us put our trust in God and let him lead us through the storms that lie ahead The Impending Apocalypse is a must read for anyone who wants to understand the times in which we are living and to prepare for the challenges that lie ahead It is a book of hope in a time of despair a beacon of light in a world that is growing increasingly dark If you like this book write a review on google books

The Apocalypse Robert H. Smith, 2011-11-14 The year 1998 marked the quincentennial of the publication of Albrecht Dürer's illustrated edition of the Apocalypse Here Robert Smith provides an introduction to and a commentary on the book of Revelation that is keyed to the Dürer woodcuts
