Army Force Form For 2015

Mikael Weissmann, Niklas Nilsson

Army Force Form For 2015:

US Foreign Policy in the Middle East Bledar Prifti, 2017-02-06 This book provides a comprehensive historical overview of US foreign policy in the Middle East using the theoretical framework of offensive realism and highlighting the role of geography and regional power distribution in guiding foreign policy It argues that the US has been pursuing the same geostrategic interests from President Truman's policy of containment to President Obama's speak softly and carry a big stick policy and contends that the US Iran relationship has been largely characterized by continued cooperation due to shared geostrategic interests The book highlights the continuity in US foreign policy over the last seven decades and offers a prediction for US foreign policy in reaction to current and future global events As such it will serve as a reference guide for not only scholars but also policy analysts and practitioners

Advanced Land Warfare Mikael Weissmann, Niklas Nilsson, 2023-03-23 International politics have become ever more volatile over the last decade increasing the risk of large scale military violence Yet the precise character of future war will depend on a range of factors that relate to adversaries allies technology geographical scope and multiple domains of warfighting Few would question that land forces will be important also in the foreseeable future However given that the battlefield is in a state of transformation so is the mission purpose and utilization of land forces Indeed the future conduct of land warfare is subjected to serious and important questions in the face of large and complex challenges and security threats Advanced Land Warfare explores the evolving role of land forces paying particular attention to the changes that have taken place in the art of commanding and executing combat as well as the role of rapid technological innovation and information dissemination in shaping warfare The book provides insights into key contemporary developments in land warfare and presents case studies on land tactics and operations in different national contexts drawing on the best of theory practice and professional experience and featuring chapters written by leading international scholars and practitioners Relating to the realities of the modern battlefield the book addresses a number of critical questions about land tactics and operations combining a conceptual basis with empirical examples of tactical thinking and practice and emphasising the importance of understanding the perspectives of various national armies in order to provide a current understanding of the central issues of land warfare An open access title available under the terms of a CC BY NC ND 4.0 International licence
