appreciate the various plot twists that played with her emotions Eileen Sheehan includes various thought provoking themes For example family rivalry romantic soul ties and paranormal activities are all touched on I love that Esmerelda grows as a person as she wrestles with these themes Since this is the first entry in a four book series I am looking forward to continuing her story in the next books Readers should note that this book is for a mature audience as there are detailed accounts of sexual encounters Antoinette Wessels 5 Stars On the first page Eileen Sheehan explains that her aim is not historical accuracy but entertainment She has successfully achieved her goal with *The Other Side of the Mirror* Eileen had my attention from page one And of course this novel ended on a cliffhanger making sure I can hardly wait for book 2 You will read this book within days as it is impossible to put down I loved the cover it helped me have a clear picture of what Esmerelda looked like and the vivid descriptions of all the other characters also helped The characters are a colorful bunch and keep the story alive As with all good romance novels there is a love triangle to keep things interesting You will enjoy this story if you love historical romances with a pinch of magic I know I will be reading book 2 Eileen Sheehan please don't stop entertaining us
