Alfa Romeo Mito Service:

Service's Code - Novel 01 Emanuela Locatelli,2018-02-27 The goal is simple don't die Survive until you gain all the points that will allow you to return to your world as a free man That's how IDSC uses us in your world Convicts like us capture our own refugees for the Confederation so we won't be discovered Every refugee recovered is a point for us and eventually instead of a dining set the Confederation gives us back our freedom in our world They call us Allies because cheap manual labor doesn't sound so good And while I am here capturing my people to be free again I get the most tempting offer of my life working with the ultimate Ally How could I say no To all this add a crazy psycho fighting against an Ally who looks more like a pit bull on drugs a frustrated bartender and me a seventeen year old boy with thieving tendencies Mix everything with explosions shootings magic and spells and whip it all up with scenes of ordinary madness irony and a fair share of bad words The result is an American style action movie and a fantasy movie headbutting each other But you can also call it Service's Code it's fine anyway
