

INTERPRETING FUNCTION RELATIONSHIPS

Use each story and graph to answer the questions below.

1

Adam and his brother, Elgin, are canoeing. At first, they paddle quickly away from the dock. Before long, they get tired and decide to rest for a few minutes. Then, they paddle back to the dock slower than before.

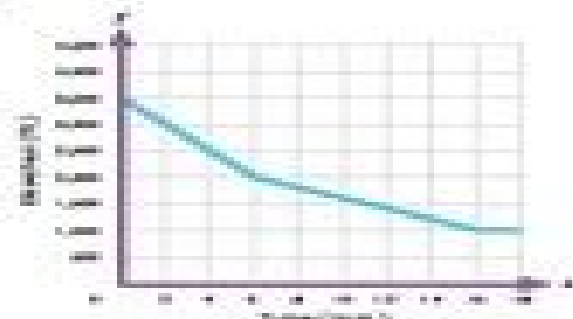

- How long did Adam and Elgin rest before returning to the dock?
- How far did they paddle before they rested?
- How long did it take Adam and Elgin to paddle back to the dock?

2

A snowboarder starts at the top of a mountain. Then, she snowboards down the mountain and ends on the lodge. The graph to the right shows her elevation above sea level over time.

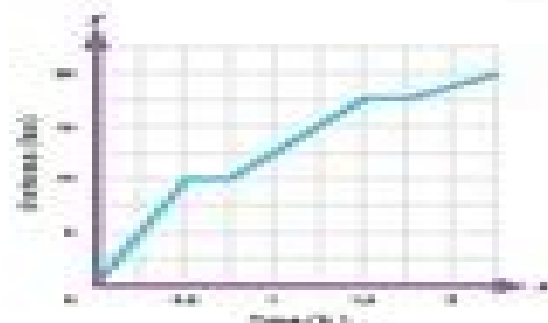

- What is her elevation on the top of the mountain?
- What is her elevation on the lodge?
- During which interval of time did the snowboarder descend fastest? Between 0 and 5 minutes or between 5 and 10 minutes? Explain how you know.

3

Camilla went on a hike with yesterday. There's a lot of water in the stopped along the way for water breaks. The graph to the right shows the total distance Camilla hiked over time.

- How many times did Camilla stop for a water break?
- How far did Camilla hike in all?
- At what rate did Camilla hike before she took her first water break? Make sure to write your rate in terms of kilometers per hour.

The Future of the Teaching and Learning of Algebra and its Study Conference was held at The University of Melbourne Australia from December to 2001. It was the first study held in the Southern Hemisphere. There are several reasons why the future of the teaching and learning of algebra was a timely focus at the beginning of the twenty first century. The strong research base developed over recent decades enabled us to take stock of what has been achieved and also to look forward to what should be done and what might be achieved in the future. In addition trends evident over recent years have intensified. Those particularly affecting school mathematics are the massification of education continuing in some countries whilst beginning in others and the advance of technology.

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Algebra Answer Key Interpreting Functional Relationships. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Algebra Answer Key Interpreting Functional Relationships, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Algebra Answer Key Interpreting Functional Relationships has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.
