Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries Author Your Ambition: The Complete Self-Publishing Workbook for First-Time Authors M.K. Williams, 2023-01-10 Use this comprehensive how to guide from M K Williams to self publish and market your first book The dream is holding your finished book in your hands The reality well it can be far from ideal When you write and self publish your book there are seemingly thousands of small decisions to make It can be a lot to manage Oh then there are dozens of gurus telling you that their way is the best With Author Your Ambition you will work through your vision and goals for your book From there the decisions on your strategy which platforms and retailers your book will be on and how much you budget for this endeavor will be clear The steps needed to get the book across the finish line with a cover formatted files and a solid launch marketing plan are all included This guidebook takes the guesswork out of starting your author business Using the exercises and checklists in this workbook you can choose your own self publishing adventure What works for you and your book Only you know M K Williams has taken almost a decade of experience writing and publishing her own books and helping others do the same and turned her massive set of checklists into their easy to use guide Let s get started on your author journey today The Routledge Companion to Children's Literature and Culture Claudia Nelson, Elisabeth Wesseling, Andrea Mei-Ying Wu, 2023-11-30 Focusing on significant and cutting edge preoccupations within children s literature scholarship The Routledge Companion to Children s Literature and Culture presents a comprehensive overview of print digital and electronic texts for children aged zero to thirteen as forms of world literature participating in a panoply of identity formations Offering five distinct sections this volume Familiarizes students and beginning scholars with key concepts and methodological resources guiding contemporary inquiry into children s literature Describes the major media formats and genres for texts expressly addressing children Considers the production distribution and valuing of children s books from an assortment of historical and contemporary perspectives highlighting

context as a driver of content Maps how children's texts have historically presumed and prescribed certain identities on the part of their readers sometimes addressing readers who share some part of the author's identity sometimes seeking to educate the reader about a presumed other and in recent decades increasingly foregrounding identities once lacking visibility and voice Explores the historical evolutions and trans-regional contacts and inter-connections in the long process of the formation of global children's literature highlighting issues such as retranslation transnationalism transculturality and new digital formats for considering cultural crossings and renegotiations in the production of children's literature Methodically presented and contextualized this volume is an engaging introduction to this expanding and multifaceted field

Why Writing Still Matters Guy Merchant, 2023-09-07 A new analysis and exploration of writing practices that takes into account the radical impact of digital technologies of communication *China's eBook Evolution* Xiang Ren, 2024-06-30 This Element explores the changing landscape of eBook businesses and cultures in China in the past two decades and examines how disruptive innovation and the platform economy have transformed one of the world's largest book markets Through an evolutionary perspective this Element documents and analyses the emergence, growth and refinement of disruptive models in three areas of trade publishing including free eBook developments, digital self-publishing and platformed social reading It offers a critical account of the complex interplay between emerging technologies, business innovations and book cultures and conceptualises China's eBook evolution as both a part of global digital publishing transformation in the platform age and an embodiment of local dynamics in a transitional society This Element is essential for scholars, students, publishers and the interested public to understand China's digital publishing innovations and their global implications *What Readers Do* Beth Driscoll, 2024-02-21 Shining a spotlight on everyday readers of the 21st century Beth Driscoll explores how contemporary readers of Anglophone fiction interact with the book industry, digital environments and each other We live in an era when book clubs, bibliomemoirs, Bookstagram and BookTok are as valuable to some readers as solitary reading moments The product of nearly two decades of qualitative research into readers and reading culture *What Readers Do* examines reading through three dimensions: aesthetic, conduct, moral, conduct and self-care to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism Analyzing reading as a post-digital practice that is a synthesis of both print and digital modes and on and offline behaviors Driscoll presents a methodology for studying readers that connects book history, literary studies, sociology and actor-network theory Arguing for the vitality, agency and creativity of readers, this book sheds light on how we read now and on how much more readers do than just read
