Boys, Girls, and the Myths of Literacies and Learning Roberta F. Hammett, Kathy Sanford, 2008-03-28 This timely and authoritative book provides a critique and deconstructs the myths that serve to uphold the current moral panic around boys supposed failures in literacy and diminished chances of success Readers are asked to look beyond simple gender binarism to see different more complex and often more egregious categorizations of students in their classrooms other than the simplistic male female categories and begin to question and address some of those issues poverty racism violence environment and more complex issues of gender patriarchy and hegemony The authors suggest different ways of teaching literacies to both boys and girls and propose that while solutions are not simple they are critically important in promoting positive educational experiences for all students regardless of gender class culture race or sexual orientation The Reader's Choice ,2002 Comprehensive English language arts program **Children Beware!** Filipa Antunes, 2020-01-17 How does a culture respond when the limits of childhood become uncertain The emergence of pre adolescence in the 1980s which is signified by the new PG 13 rating for film disrupted the established boundaries between childhood and adulthood

The concept of pre adolescence affected not only America's pillar ideals of family and childhood innocence but also the very foundation of the horror genre's identity its association with maturity and exclusivity Cultural disputes over the limits of childhood and horror were explicitly articulated in the children's horror trend 1980-1997 a cluster of child oriented horror titles in film and other media which included Gremlins The Gate the Goosebumps series and others As the first serious analysis of the children's horror trend with a focus on the significance of ratings this book provides a complete chart of its development while presenting it as a document of American culture's adaptation to pre adolescence Each important children's horror title corresponds to a key moment of ideological negotiation cultural power struggles and industrial compromise
