Hunter, 2021-10-25 This volume collects the most recent essays of Richard Hunter one of the world's leading experts in the
field of Greek and Latin literature The essays range across all periods of ancient literature from Homer to late antiquity with
a particular focus not just on the texts in their original contexts but also on how they were interpreted and exploited for both
literary and more broadly cultural purposes later in antiquity Taken together the essays sketch a picture of a continuous
tradition of critical and historical engagement with the literature of the past from the period of Aristophanes and then Plato
and Aristotle in classical Athens to the rich prose literature of the Second Sophistic Richard Hunter's earlier essays are
