

A close-up photograph of a white plastic reservoir, likely for a car's power steering or brake system. The reservoir is partially filled with a pink liquid. On the side of the reservoir, there are two horizontal lines with arrows pointing to the right, labeled 'max' and 'min' respectively. The 'min' line is currently at the level of the pink liquid. The reservoir is mounted on a dark, metallic engine component. A black hose is connected to the bottom of the reservoir. The background is dark and out of focus.
