7 Suzuki Manual:

Samādhi Mike Sayama, 1985-10-01 The key to self development says Mike Sayama is the experience of Samadhi a state of relaxed concentration in which the individual neither freezes out of fear nor clings due to desire Simply stated samadhi is the free flow of vital energy within the body and between the body and the universe Moving effortlessly across traditions and techniques Sayama discovers that sages throughout history Greek philosophers German mystics Indian seers and our own Albert Einstein among others have taught that this experience of transcendental oneness lies at the heart of full self realization The first part of the book studies self realization in Zen Buddhism The author pinpoints its essence in Buddha s enlightenment The development of Zen is then traced continuing down to living masters who in very recent times have transplanted their lineages from Japan to the United States Sayama notes that we must choose as masters those to whom the authentic teaching has been transmitted through generations and he examines in loving detail the sometimes strange and astonishing behaviors of those whose very presence communicates the state of samadhi The second part of the book presents Zen therapy a way of self development emphasizing the cultivation of samadhi through psychophysical training Sayama compares the effects of Rolfing Feldenkrais and Zen therapy on the human body and mind He includes easy to follow directions for creating the inner state he describes He tells vivid stories of extraordinary cases treated from the point of view that the best therapy is nothing less than the removal of all dualism Four main practices are presented zazen meditation hara development circulation of the vital energy and communication

The Bamboos of the World D. Ohrnberger,1999-01-29 Bamboos constitute one of a few select categories of plants which are taxonomically related very rich in species and of vital economic and ecological importance Since the early 20th century the accepted number of species of bamboos world wide has tripled However until now information was scattered through numerous often not easily available publications The Bamboos of the World is the first comprehensive taxonomic as well as horticultural reference work that provides basic information on bamboos world wide whether they are wild or cultivated well

known or rather unknown The work based on bamboo literature facilitates access to further data by citation and a comprehensive bibliography Among the main data included are botanical names with synonyms and geographical distribution of genera and species varieties with their distinctive characters common bamboo names plant introductions to the West plant size and uses The distribution of genera is mapped The Bamboos of the World presents a wealth of essential information in an accessible and structured manner It gives the opportunity to check under what names and where relevant information on any bamboo can be found For the researcher with management and development interests it provides a convenient means of basing bamboo resource on a sound understanding of generic and species relationships with names that appear in earlier literature put into context The work should prove to be invaluable for those interested in the morphology taxonomy distribution and cultivation of bamboos It should support botanical forestry horticultural and ecological research training and resource management

Buddhist Faith and Sudden Enlightenment Sung-bae Park, 1983-01-01 Buddhist Faith and Sudden Enlightenment explains how sudden enlightenment occurs through the awakening of patriarchal faith This is the non dual affirmation that one is already Buddha as opposed to the doctrinal dualistic faith that one can become Buddha The essence of the presentation is that patriarchal faith forms the basis for sudden enlightenment in Zen meditation For the practitioner this book establishes the Zen method of mind cultivation on a higher level by introducing a new understanding of awakening right faith Included is extensive material on the history of faith in Buddhism with the main attention devoted to Ch'an Zen and Hua yen There are also substantial discussions of Buddhist antecedents to these schools and of the Pure Land School This is the first book in English to examine the central role of faith in Mahayana Buddhism The author's approach develops from his personal experiences as a son Zen monk of the Chogyee order which was heavily influenced by the integration of meditation and scriptural study established by Chinul
