An Unlikely Angel:

An Unlikely Angel Ernie McBroom Jr.,2015-02-05 Juel Jones could play a guitar the first time she picked one up but nobody ever knew A beautiful girl from a troubled family she gets lost in the world at an early age and sells herself for money Living in a dingy motel barely nineteen years old she writes the first two verses of a song that will one day be heard by the world Her audience a stray yellow cat Working in a massage parlor a thousand miles from home Juel sets out hitchhiking in a fit of anger when along comes Sammy Reed Twenty one the day the story begins Sammy is drifting through life in the aftermath of an unthinkable family tragedy California bound from North Carolina in a windowless 69 Camaro Over the next six months and several thousand miles things happen in the lives of these two beautiful losers that cant be logically explained Things such as the song and its incredible mysterious journey from the back of a brown paper sack to a number one hit As the writer of this story I attempt to raise a number of interesting possibilities The characters I use and the things they do and say will offend some people I know In their defense Id simply say that I personally believe God meant everybody to matter Everybody *The Unlikely Angel* Betina M. A Life Rebuilt Jean Brashear,2012-06-05 Special Forces veteran Roman Gallardo is a ghost With the nightmares of his past weighing him down the best thing he can do is keep to himself So when a heroic act forces him out of solitude he s not expecting a connection to a woman as vibrant and alive as Jenna MacAllister Or as determined to help other people no matter how hopeless no matter the cost to herself He can t explain it but he s drawn to Jenna and the rebuilding project she s started And the more he works with her the more he wants to leave his past behind and act on the intense attraction between them The temptation is so strong this could be his second chance at life at love

Unexpected Abundance Elizabeth Felicetti,2023-08-22 Meet 25 women who generated life without giving birth In many Christian communities today women are expected to have children to be fruitful and multiply To be childless is to be less of a woman less of a Christian or so it can feel Elizabeth Felicetti is deeply familiar with this pressure as an Episcopal priest who never had the children she imagined would be part of her life But in the landscape of her childhood in Arizona Felicetti found fresh eyes If she s barren so is the desert and if you look closely the desert teems with unexpected life This is also true of women throughout history Biblical women like Mary Magdalene medieval mystics like Julian of Norwich and modern activists like Rosa Parks did not have children yet their lives bore fruit in their communities and in the church at large In reflecting on her own experience alongside those of these remarkable women Felicetti deepens our understanding of the many ways to be fruitful Women without children by choice or chance who have felt frustrated or voiceless in the church will find solidarity and inspiration in the pages of Unexpected Abundance

Sharing Visions Ralph Milton,2003 The Bible is filled with many familiar stories of mystical experiences Moses and the burning bush Samuel in the temple the angel s visit to Mary and Paul s Damascus road experience are just a few examples and many modern Christians have equally powerful experiences of the Lord s life changing power and presence In this follow up volume to Vision Stories 84 contributors share their authentic intensely personal accounts of encountering the divine including visions healing miracles and answers to prayer Each vignette manifests the indescribable joy comfort and peace we experience in God s presence And because each personal story also illustrates a scripture passage from Cycle C of the Revised Common Lectionary Sharing Visions is an especially valuable resource for lectionary preaching But even more it s inspiring reading for personal devotion and spiritual growth Praise for Vision Stories and Sharing Visions I am rejoicing as I read the testimonies in Sharing Visions and Vision Stories What an inspiration Richard B Wilke Author of the Disciple Bible Study series Storytelling has long been a deep rich resource for sharing our faith with one another In Sharing Visions John Sumwalt connects readers with the power of stories for recognizing and celebrating God s presence in the midst of our daily lives Through reading and reflecting on these stories

readers are invited into God's ongoing story of creation, redemption, and empowerment. Carol F. Kraus, Director of Christian Formation and Spiritual Leadership, General Board of Discipleship, United Methodist Church. This dynamic, moving, and deeply authentic collection of true stories will carry readers on a powerful journey of healing and inspiration. Sharing Visions will appeal to Catholic and Protestant alike. Deacon Eddie Ensley, Author of Visions: The Soul's Path To The Sacred. At long last, someone has demonstrated the courage to lift the veil of silence that so often covers the mystical experiences of ordinary people. By denying the reality of these experiences, we have denied spiritual sustenance and growth to many. Vision Stories is a forerunner of the feast that is to come for all who earnestly seek to walk with God. Reuben P. Job, Author of A Guide to Spiritual Discernment. This wonderful collection of stories reminds us of a fact our world desperately needs to know: that God is alive and well and ready to be at work in our daily lives. J. Ellsworth Kalas, Author of New Testament Stories from the Back Side. A noted storyteller, John E. Sumwalt is the pastor of Wauwatosa Avenue United Methodist Church in Milwaukee, Wisconsin. The author of the CSS acclaimed Lectionary Stories series, Sumwalt leads seminars and retreats on sharing and understanding visions. He and his wife Jo Perry Sumwalt also are the editors of the online service StoryShare.

Don't Worry About It Thomas Maul, 2010-12-28. Don't Worry About It is a hilarious read for those who need a good laugh, kid or grown up. The comical stories contain a cast of colorful characters and some downright funny misadventures. The author reminisces about highlights from youth that readers of any age will identify with: from a kid accidentally crapping his pants and trying to avoid detection to a delinquent running wild on a sack tapping spree. Readers who enjoyed the author's first book, Rugged Knuckles and Painful Chuckles, are sure like this one even more. The stories are poignantly illustrated by the author's son, Vince Maul.

The Tempter's Voice Eric Jager, 2018-07-05. Why was the story of Adam, Eve, and the Serpent so important to medieval literary culture? Eric Jager argues that during the Middle Ages, the story of the Fall was incorporated into a comprehensive myth about language. Drawing on a wide range of texts, Jager shows how patristic and medieval authors used the Fall to confront practical and theoretical problems in many areas of life and thought, including education, hermeneutics, rhetoric, feudal politics, and gender relations. Jager explores the Fall's meaning for clergy and laity, nobles and commoners, men and women. Among the works Jager discusses are texts by Ambrose, Augustine, the early Christian poet Avitus, and scholastic authors. Old English biblical epics, Middle English spiritual writings, French courtesy books, and the poetry of Dante and Chaucer. Examples from the visual arts are included as well. Jager links medieval interpretations of the Fall to underlying cultural anxieties about the ambiguity of the sign, the instability of oral tradition, the pleasure of the text, and the many rhetorical guises of the tempter's voice. He also assesses the modern and postmodern legacy of the Fall, showing how this myth continues to embody central ideas concerning language. *The Tempter's Voice* will be essential reading for scholars and students in such fields as medieval studies, literary theory, gender theory, comparative literature, cultural history, and the history of religion.
