Ronald Hulnick, Ph.D., Mary Hulnick, Ph.D., 2011-02-15 *Loyalty to Your Soul* establishes Spiritual Psychology as a paradigm altering frontier It initiates a radical shift at the core of contemporary psychological thought by unveiling a technology for using everyday life experiences as rungs on the ladder of spiritual evolution This book is uniquely suited for anyone seeking to discover and cross the bridge that spans the waters between life referenced in material reality and life lived within the context of spiritual reality *Loyalty to Your Soul* shows you how to first gain access to and then gradually learn to live from that sacred place inherent within everyone referred to by the authors as the Authentic Self a place where emotional suffering ceases and profound peace and love are present While many people have written about such an inner state Ron and Mary Hulnick show you how to travel there and what to anticipate once you arrive The radical technology they introduce empowers readers to transform challenging or negative human experiences into direct experiences of the Soul **I Am Light** Gary Layman, 2011-05 The biblical story of the Prodigal Son is

one of redemption forgiveness and compassion In it a young man leaves home and squanders his inheritance on sinful desires He later returns embarrassed and penniless expecting to be thrown out by a hostile patriarch Instead his father is happy to find his son safe and longing to return He welcomes him back with open arms and prepares a feast in celebration Although the biblical tale is poignant in view of a son s relationship to his father the journey is much more than a picture window into humanity At its deepest the story of the Prodigal Son is a metaphor for the story of man s relationship with a welcoming God or higher power that longs to reach out and embrace humankind But first humankind must realize its own limitations Author Gary Layman upon hitting his own emotional wall cried out to the skies for inspiration He found it and he shares it in *I Am Light The Journey on the Prodigal Path* Seemingly ordinary events of our daily lives can lead to transcendent awareness Through channeled writings poetry and bits of autobiography Layman illuminates the way back to a higher power Our return home will not lead to punishment but instead personal liberation Christina Florence,2007-09-01
