Anoint With Oil:

Anointing With Oil Eastwood Anaba, 2013-09-30 Using anointing oil to minister to people is a controversial issue among believers. Some believers detest its use so much that they walk out of meetings when it is used. The aim of this book is to give us biblical insight into the purpose of the anointing oil and how it can be used for the edification and blessing of believers. With regard to this subject we don't have to condemn others for their position. It is scriptural to use anointing oil in ministration but not mandatory. The law of liberty allows those whose faith is enhanced by the use of the oil to use it and those whose faith does not require it not to use it. Those who use it are not more spiritual than those who don't use it and those who don't use it don't necessarily have more faith in the Word of God than those who use it. **Anoint with Oil**

Rebecca Park Totilo, 2014-10-17 If you were told by church leaders that anointing with oil ceased during Old Testament times or that it is simply symbolic and has no power or significance today, you may be missing beauty and depth in your spiritual journey. Anointing with oil brings real benefits into your life such as promotion, discernment, sensitivity, fruitfulness, and declaration. In *Anoint With Oil*, Rebecca Park Totilo shares an aromatic and sacred expedition through the scriptures showing the purpose of anointing with oil, the methods used in the Bible, and their symbolism, the ingredients of the holy anointing oil, and the uses of essential oils mentioned in the Old and New Testaments. Discover new scents within these pages and find out why the right ear, right thumb, and right big toe. What is the mysterious fifth ingredient of the holy anointing oil? Which oils did Jesus anoint with? Who performs the anointing ritual? How can I benefit from anointing with oil? **The Sacrament of**

Anointing of the Sick Lizette Larson-Miller, 2005 Overviews affirms and critiques the current Roman Catholic rites for the pastoral care of the sick and engages them through contemporary theological, liturgical, pastoral, and cultural issues, focusing particularly on the sacramental heart of the rites, the anointing of the sick. Provided by publisher. *Unveiling the Mysteries of The Blood of Jesus Christ* Rudolph K. Roberts, 2009-07 This book covers the blood of Jesus Christ from the very beginning of creation. It shows that the entire Bible is about Jesus Christ and his blood that purchased man's redemption. The reader will not only be introduced to important aspects of the significance of His blood but also to the significance of the very lineage from which He came. The summation of these facts is that contrary to how it may often seem, there is still Power in the Blood of Jesus. Reverend Rudolph K. Roberts has dedicated his life to the work of the Lord. With more than three decades of preaching and singing, and with five recorded musical CDs to his credit, Pastor Roberts has traded his initial talents well to now possess a stockpile of spiritual weapons ready to destroy the enemy's kingdom. He is married to Enid Diane Roberts for over twenty-six years. They are blessed with six lovely children: Rudeco, Zonovia, Rhema, Rumah, Reuel, Rudiel, and one grand son, Kaden. A former schoolteacher, track athlete, and coach, this motivator has continued to expand his borders in all facets of his life. A reward of such pursuits is his Doctorate Degree in Theology, which he earned at United Christian International Bible Institute in Cleveland, Tennessee. Rev. Roberts currently pastors the Whole Man Christian Center and has been doing so for

the past nineteen years He is also the founder and President of the Rev Rudolph K Roberts International Faith Ministries

Messianic Revelation in the Old Testament Gerard Van Groningen,1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative

analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work
