Bradley Truman Noel, 2015-12-14 If only we were a Christian country again Christians particularly those in the West often lament their loss of influence in modern politics and culture It seems that everywhere one turns Christendom in the West is dealt another blow with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance Pentecostalism Secularism and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post Christian ethos of Western culture In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture this work will argue that counter intuitively the death of Christendom if

properly addressed may in fact herald the arrival of the Church's finest hour

Pentecostal and Postmodern Hermeneutics
Bradley Truman Noel, 2010-01-29 Pentecostal and Postmodern seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth. As the Postmodern ethos makes its presence increasingly felt in the Western world, no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of Miracles and wonders. Recent trends in Pentecostal hermeneutics, however, may actually make the task more difficult. No historical movement has thrived in the long term that has not carefully considered the vision for the forefront of youth ministry. In the last several decades, we must also connect Pentecostal academia with evangelism efforts among youth and young adults. This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations.

African-American Holiness Pentecostal Movement
Sherry S. DuPree, 2013-09-13 First Published in 1996. Those of us who aspire to know about the black church in the African American experience are never satisfied. We know so much more about the Christian and church life of black Americans than we did even a dozen years ago, but all the recent discoveries whet our insatiable appetites to know it all. That goal will never be attained, of course, but there do remain many conquerable worlds. Sherry Sherrod DuPree set her mind to conquering one of those worlds. She has persisted with the results detailed here. A huge number of items are available to inform us about Holiness Pentecostal and Charismatic congregations and organizations in the African American Christian community.

The Next Great Move of God
Jennifer LeClaire, 2015. BE PART OF THE MOVEMENT THAT REACHES HEAVEN. Before its foundation, America first flew the Appeal to Heaven flag. It was the banner George Washington used on his navy ships to signal that their only hope against British rule and religious persecution was an appeal to heaven. The crusade

William Oliverio, 2022-05-27 In Pentecostal Hermeneutics in the Late Modern World L. William Oliverio Jr offers a series of forays into the places where late modernity and Pentecostalism have met in interpreting God the world and human selves and communities Oliverio provides a historical constructive and ecumenical approach to understanding current trajectories in Pentecostal interpretation as he engages a variety of philosophers and theologians Together these essays point to a way forward for Pentecostal hermeneutics in the context of the late modern world Tongues Richard Hogue, 2010-04-06 Every critic who desires to deny the validity of modern tongue speech must develop a scheme to destroy Paul's teaching Through the centuries there has been a wide variety of answers regarding the validity and veracity of speaking praying and singing in tongues and its place within the life of the Christian and the Church What is it Is speaking in tongues such a radically supernatural experience that language is totally unknown or is it as some have contended actual human languages that are simply unknown to the speakers Several have believed it to be the language of heaven or at least from heaven Others have declared it to be ecstatic unintelligible utterances that require a highly charged emotional moment to experience Should each Christian pray and sing in tongues or is it reserved for a special few deeply spiritual ones Did Jesus pray in tongues These questions and more are answered by author and pastor Richard Hogue in Tongues A Theological History of Christian Glossolalia His academic approach begins by firmly establishing biblical evidence before launching a chronological connect the dots exercise through Christian history The design revealed is the undeniable influence of the Holy Spirit From Saul of
