

The background of the cover is a detailed, close-up photograph of a printed circuit board (PCB). The board is a golden-brown color and features a complex network of fine, winding copper traces. Numerous small, dark, rectangular components, likely surface-mount devices, are soldered onto the board. The lighting creates a sense of depth, highlighting the texture of the copper and the metallic surfaces of the components. The top and bottom edges of the cover are framed by a wavy, horizontal band of a lighter, golden-brown color, which separates the PCB image from the central white area containing the title.
