

QUIZ #5 LESSON 5: History of Life on Earth

- 1) Which of the following factors weaken(s) the hypothesis of abiotic synthesis of organic monomers in early Earth's atmosphere?
1. the relatively short time between intense meteor bombardment and the appearance of the first life-forms
 2. the lack of experimental evidence that organic monomers can form by abiotic synthesis.
 3. uncertainty about which gases comprised early Earth's atmosphere
- A) 1 and 2
B) 1 and 3
 C) 2 only
 D) 2 and 3
- 2) How were conditions on the early Earth of more than 3 billion years ago different from those on today's Earth?
- A) Only early Earth was intensely bombarded by large space debris.
 B) Only early Earth had an oxidizing atmosphere.
 C) Less ultraviolet radiation penetrated early Earth's atmosphere.
 D) Early Earth's atmosphere had significant quantities of ozone.
- 3) What is true of the amino acids that might have been delivered to Earth within carbonaceous chondrites?
- A) They had the same proportion of L and D isomers as Earth does today.
 B) Their abundance would have been dramatically reduced upon passage through early Earth's oxidizing atmosphere.
 C) There were more kinds of amino acids on the chondrites than are found in living organisms today.
 D) They were delivered in the form of polypeptides.
- 4) Which of the following is the correct sequence of events in the origin of life?
- I. formation of protobionts
 - II. synthesis of organic monomers
 - III. synthesis of organic polymers
 - IV. formation of DNA-based genetic systems
- A) I, II, III, IV
 B) I, III, II, IV
C) II, III, I, IV
 D) II, III, IV, I
- 5) Which of the following is a defining characteristic that all protobionts had in common?
- A) the ability to synthesize enzymes
B) a surrounding membrane or membrane-like structure
 C) RNA genes
 D) the ability to replicate RNA
- 6) The first genes on Earth were probably
- A) DNA produced by reverse transcriptase from abiotically produced RNA.
 B) DNA molecules whose information was transcribed to RNA and later translated in polypeptides.
C) auto-catalytic RNA molecules.
 D) oligopeptides located within protobionts.
- 7) The synthesis of new DNA requires the prior existence of oligonucleotides to serve as primers. On Earth, these primers are small RNA molecules. This latter observation is evidence in support of the hypothesized existence of
- A) a snowball Earth.
B) earlier genetic systems than those based on DNA.
 C) the abiotic synthesis of organic monomers.
 D) the delivery of organic matter to Earth by meteors and comets.
- 8) Approximately how far back in time does the fossil record extend?
- A) 3.5 million years
 B) 5.0 million years
C) 3.5 billion years
 D) 5.0 billion years
- 9) What is true of the fossil record of mammalian origins?
- A) It is a good example of punctuated equilibrium.
 B) It shows that mammals and birds evolved from the same kind of dinosaur.
C) It includes transitional forms with progressively specialized teeth.
 D) It indicates that mammals and dinosaurs did not overlap in geologic time.
- 10) If a fossil is encased in a stratum of sedimentary rock without any strata of igneous rock (for example, lava, volcanic ash) nearby, then it should be
- A) easy to determine the absolute age of the fossil, because the radiotopes in the sediments will not have been "reset" by the heat of the igneous rocks.
 B) easy to determine the absolute age of the fossil, because the igneous rocks will not have physically obstructed the deposition of sediment of a single age next to the fossil.
 C) difficult to determine the absolute age of the fossil, because the "marker species" common to igneous rock will be absent.
D) difficult to determine the absolute age of the fossil, because radiometric dating of sedimentary rock is less accurate than that of igneous rock.
- 11) An early consequence of the release of oxygen gas by plant and bacterial photosynthesis was to
- A) cause iron in ocean water and terrestrial rocks to rust (oxidize).
 B) generate intense lightning storms.
 C) change the atmosphere from oxidizing to reducing.
 D) make it easier to maintain reduced molecules.

- 12) Which of the following statements provides the strongest evidence that prokaryotes evolved before eukaryotes?
- A) Prokaryotic cells lack nuclei.
B) The oldest fossilized cells resemble prokaryotes.
 C) The meteorites that have struck Earth contain fossils only of prokaryotes.
 D) Liposomes closely resemble prokaryotic cells.
- 13) What is true of the Cambrian explosion?
- A) Recent evidence supports the contention that the Cambrian explosion may not have been as "explosive" as was once thought.
 B) There are no fossils in geological strata that are older than the Cambrian explosion.
 C) Only the fossils of micro-organisms are found in geological strata older than the Cambrian explosion.
 D) The Cambrian explosion is evidence for the instantaneous creation of life on Earth.
- 14) What is thought to be the correct sequence of these events, from earliest to most recent, in the evolution of life on Earth?
1. origin of mitochondria
 2. origin of multicellular eukaryotes
 3. origin of chloroplasts
 4. origin of cyanobacteria
 5. origin of fungal-plant symbioses
- A) 4, 1, 3, 2, 5
B) 4, 3, 2, 1, 5
 C) 4, 1, 2, 3, 5
 D) 4, 3, 1, 5, 2
- 15) Recent evidence indicates that the first major diversification of multicellular eukaryotes may have coincided in time with the
- A) origin of prokaryotes.
 B) switch to an oxidizing atmosphere.
C) melting that ended the "snowball Earth" period.
 D) origin of multicellular organisms.
- 16) Which of these observations gives the most support to the endosymbiotic theory for the origin of eukaryotic cells?
- A) the existence of structural and molecular differences between the plasma membranes of prokaryotes and the internal membranes of mitochondria and chloroplasts
 B) the size disparity between most prokaryotic cells and most eukaryotic cells
 C) the observation that some eukaryotic cells lack mitochondria
D) the similarity in size between the cytosolic ribosomes of prokaryotes and the ribosomes within mitochondria and chloroplasts
- 17) Which event is nearest in time to the end of the period known as snowball Earth?
- A) oxygenation of Earth's seas and atmosphere
 B) evolution of mitochondria
 C) Cambrian explosion
 D) evolution of true multicellularity
- 18) Which of the following characteristics should have been possessed by the first animals to colonize land?
1. were probably herbivores (ate photosynthesizers)
 2. had four appendages
 3. had the ability to resist dehydration
 4. had lobe-finned fishes as ancestors
 5. were invertebrates
- A) 1, 3, and 5
B) 2 and 3
C) 3 and 5
 D) 2, 3, and 4
- 19) The first terrestrial organisms probably were considered which of the following?
1. burrowers
 2. photosynthetic
 3. multicellular
 4. prokaryotes
 5. eukaryotes
 6. plants and their associated fungi
- A) 3 and 5
 B) 1, 3, and 5
 C) 2, 3, and 6
D) 2 and 4
- 20) In the 5-7 million years that the hominid lineage has been diverging from its common ancestor with the great apes, dozens of hominid species have arisen, often with several species coexisting in time and space. As recently as 30,000 years ago, Homo sapiens coexisted with Homo neanderthalensis. Both species had large brains and advanced intellects. The fact that these traits were common to both species is most easily explained by which of the following?
- A) species selection
 B) uniformitarianism
 C) sexual selection
D) convergent evolution

Answer Key Quiz Emergence Of Modern China Answer Key

Bih-jaw Lin, James T. Myers

Answer Key Quiz Emergence Of Modern China Answer Key:

The Rise of Modern Chinese Thought Hui Wang, 2023-07-18 Wang Hui asks what it means for China to be modern and for modernity to be Chinese Is there a rupture between tradition and modernity in China How has Confucian thought evolved Did China become modern in the Middle Ages A deep intellectual history The Rise of Modern Chinese Thought revises our senses of both modernity and Chinese philosophy *Revise Modern World History for Edexcel Specification A* Barry Doherty, 2001 This revision guide offers targeted exam preparation for the Specification A Edexcel exam There are sample questions as well as examiners comments and guidance on how to pinpoint key facts and use accumulated knowledge constructively

The China Path and its Original Meaning Han Qingxiang, 2023-12-19 This book examines the fundamental issues of Marxism in the 21st century and explores its contributions through the explanatory framework of the unity of continuity and stages spatial and temporal analysis and the dialectical relationship of universality and particularity of Marxist historical development Marxism in the 21st century is a concept closely related to the historical changes of capitalism and the historical shift of the center of the socialist movement Marxism in the 21st century should be developed on the basis of the continuation of the fundamental position value orientation ideals and beliefs basic principles and methodological principles of Marxism This book explores the logic of the development of modernization in contemporary China and the world the communication and interaction between contemporary China and the world and the coexistence of socialism and capitalism It also examines the relationship between the adaptation of Marxism to the Chinese context Marxism in contemporary China and Marxism in the 21st century The book also discusses Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era which provides a scientific theoretical system for interpreting the contemporary world and could become the core theoretical form of Marxism in the 21st century The book will be essential reading for students and scholars of Marxism Chinese studies and modernization theory

The Intellectual in Modern Chinese History Timothy Cheek, 2016-01-05 This vivid narrative history of Chinese intellectuals and public life provides a guide to making sense of China today Timothy Cheek presents a map and a method for understanding the intellectual in the long twentieth century from China s defeat in the Sino Japanese war in 1895 to the Prosperous China since the 2008 Beijing Olympics Cheek surveys the changing terrain of intellectual life over this transformative century in Chinese history to enable readers to understand a particular figure idea or debate The map provides coordinates to track different times different social worlds and key concepts The historical method focuses on context and communities during six periods to make sense of ideas institutions and individual thinkers across the century Together they provide a memorable account of the scenes and protagonists and arguments and ideas of intellectuals and public life in modern China

Modern Chinese Cultural Encounters Judy Zhu, 2009 As a Chinese language professor at the Defense Language Institute Foreign Language Center DLI Judy Zhu believes that raising cultural awareness is a necessity and should be an ongoing effort regardless of how much

one already knows about a foreign language Modern Chinese Cultural Encounters aims to provide Westerners especially Americans studying or traveling in China with a unique Chinese perspective and reference Kaplan SAT Subject Test World History 2015-2016 Kaplan,2015-03-03 Proven strategies practice and review to ace the SAT Subject Test World History Getting into a top college has never been more difficult Students need to distinguish themselves from the crowd and scoring well on a SAT Subject test gives students a competitive edge Kaplan s SAT Subject Test World History is the most up to date guide on the market with complete coverage of both the content review and strategies students need for success on test day Kaplan s SAT Subject Test World History features A full length diagnostic test Full length practice tests Focused chapter summaries highlights and quizzes Detailed answer explanations Proven score raising strategies End of chapter quizzes Kaplan is serious about raising students scores we guarantee students will get a higher score *People's Republic of China, Volumes I and II* Frank N. Pieke,2023-12-31 This title was first published in 2002 This two volume set collects in a conveniently accessible form the most influential articles by leading authorities in the study of China It provides an international reference work combined with an authoritative introduction by the editor **Regime Legitimacy in Contemporary China** Thomas Heberer,Gunter Schubert,2008-08-01 Using in depth case studies of a wide range of political social and economic reforms in contemporary China this volume sheds light on the significance and consequences of institutional change for stability of the political system in China The contributors examine how reforms shape and change Communist rule and Chinese society and to what extent they may engender new legitimacy for the CCP regime and argue that authoritarian regimes like the PRC can successfully generate stability in the same way as democracies Topics addressed include ideological reform rural tax for fees reforms elections in villages and urban neighbourhood communities property rights in rural industries endogenous political constraints of transition internalising capital markets the media market in transition the current social security system the labour market environmental policy reforms to anti poverty policies and NGOs Exploring the possibility of legitimate one party rule in China this book is a stimulating and informative read for students and scholars interested in political science and Chinese politics *Contemporary China's Land Use Policy* Long Cheng,2020-09-24 This book discusses contemporary China s land use policy the Link Policy which calls for land consolidation and rural resettlement to achieve the goal of preserving farmland while also providing more space for urban development Given the limited analyses and commentaries on the Link Policy in the literature particularly in English language articles the book systematically presents and analyzes China s land use policy by assessing the impacts of the Link Policy on rural life and how effective the Link Policy is in achieving its objectives It also examines how satisfied farmers are with the policy and what the contributing factors are Drawing on a critical review of the literature field observations and interviews with resettled farmers the book offers insights into China s land use policy and compares it with similar policy instruments in other countries Presenting research findings that help readers gain a holistic understanding of the Link Policy

in China and its implications the book is a valuable resource for professionals in other developing countries that are facing similar challenges in terms of balancing urban development and farmland conservation *Assessing Intellectual Property Compliance in Contemporary China* Kristie Thomas, 2017-02-14 Since its accession to the World Trade Organisation WTO in December 2001 China has been committed to full compliance with the Trade Related Intellectual Property Rights TRIPS Agreement This text considers the development of intellectual property in China and offers an interdisciplinary analysis of China's compliance with the TRIPS Agreement using theories originating in international relations and law It notes that despite significant efforts to amend China's substantive IP laws to prepare for WTO accession and sweeping changes to domestic legislation a significant gap existed between the laws on paper and as enforced in practice and that infringements to the agreement are still prevalent The book examines how compliance with international rules can be promoted and encouraged in a specific jurisdiction Making a case for a wider more interdisciplinary and global outlook it contends that compliance needs to align with the national interests of relevant countries and jurisdictions as governments economic interests support the greater enforcement of the IP laws **Development of Modern Chinese Foreign Policy Thought**

Ivica Bakota, Zvonimir Stopić, Mato Njavro, 2024-11-15 This book presents a comprehensive exploration of China's foreign policy evolution from the early twentieth century to the contemporary era The intricate interplay between the People's Republic of China the Chinese Communist Party CCP and the global stage is meticulously traced offering a nuanced understanding of China's dynamic engagement with the world With a detailed analysis spanning eight chapters the book delves into the contextual factors that influenced CCP's initial foreign policy ideas prior to the establishment of the People's Republic It systematically unravels the gradual development of these ideas during the Cold War era and unveils the fundamental and adaptive trajectories that have shaped China's foreign policy landscape over the past three decades Utilizing primary sources and academic texts the book incorporates both Chinese and global perspectives to shed new light on the evolution of Chinese foreign policy thought making it an invaluable contribution to the study of China's global interactions The authors uniquely bridge the gap between different stages of China's foreign policy development across a centennial timeframe offering an organic perspective on its growth and their comprehensive analysis of China's foreign policy toolset adds a distinctive dimension to existing knowledge By steering clear of preconceived notions the book delivers a well rounded analysis of China's foreign policy evolution **A Cloud Across the Pacific** Thomas A. Metzger, 2005 This book uncovers the basic contradictions between contemporary China's complex ideological marketplace and Western liberalism It describes and puts into critical context three versions of Western liberalism those of F A Hayek John Rawls and John Dunn three versions of Chinese liberalism those of Yang Kuo shu Li Qiang and Ambrose Y C King two versions of modern Confucian humanism those of T ang Ch n i and Henry K H Woo and various versions of Chinese Marxism including Kao Li k o s in the early 1990s and some of the recent New Left writings It shows that all these Chinese political theories not

only Chinese Marxism depend on a number of premises at odds with Western liberalism especially epistemological optimism and an extravagantly optimistic concept of political practicability It also argues that not only these Chinese theories but also Western liberalism have failed to offer adequate normative guidelines for the improvement of political life This study combines a deep understanding of the history of Chinese thought with a strong grasp of modern philosophical trends and an innovative methodology for the description and criticism of political theories It will be useful to students of modern Chinese intellectual history of political philosophy of political culture of the comparative study of cultures and of U S Chinese relations *Modern China Studies* ,1978 **Ideological Conflict and the Rule of Law in Contemporary China** Samuli Seppänen,2016-10-20 This book studies ideological divisions within Chinese legal academia and their relationship to arguments about the rule of law The book describes argumentative strategies used by Chinese legal scholars to legitimize and subvert China s state sanctioned ideology It also examines Chinese efforts to invent new alternative rule of law conceptions In addition to this descriptive project the book advances a more general argument about the rule of law phenomenon insisting that many arguments about the rule of law are better understood in terms of their intended and actual effects rather than as analytic propositions or descriptive statements To illustrate this argument the book demonstrates that various paradoxical contradictory and otherwise implausible arguments about the rule of law play an important role in Chinese debates about the rule of law Paradoxical statements about the rule of law in particular can be useful for an ideological project **Cambridge IGCSE® and O Level Global Perspectives Coursebook** Keely Laycock,2016-03-24 Skills focused resources to support the study of Cambridge IGCSE and O Level Global Perspectives for first examination in 2018 Feel confident exploring key global issues from multiple perspectives with Cambridge IGCSE and O Level Global Perspectives a brand new coursebook from Cambridge University Press to support study of the Cambridge IGCSE and O Level Global Perspectives syllabuses for first examination in 2018 Taking a completely skills based approach and written by a Global Perspectives specialist the coursebook is structured around the key skills students must demonstrate with references to relevant syllabus set topics Each chapter contains multiple activities to encourage active engagement assessment practice opportunities and differentiation support so that teachers can focus on the particular needs of their class **Environmental Policies and Development Planning in Contemporary China and Other Essays** K. William Kapp,2020-05-18 No detailed description available for Environmental Policies and Development Planning in Contemporary China and Other Essays [History of Soybeans and Soyfoods in Manchuria \(1833-2022\)](#) William Shurtleff; Akiko Aoyagi,2022-01-16 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 177 photographs and illustrations mostly color Free of charge in digital PDF format **An Economic History of Modern China** Joseph C. H. Chai,2011 This book is a remarkable tour de force Joseph Chai offers a fine synthesis of thinking about the nature and origins of China s long run economic growth and structural change Through the meticulous use of an

impressive range of sources he explores some of the most challenging puzzles of China's economic history such as its failure to match the modern industrial revolutions of Western Europe or closer to home to rival Japan's economic transformation in the final decades of the nineteenth century His definition of history is broad and his narrative extends down to the present day thereby illuminating continuities and discontinuities across not only the historical divides of 1840 and 1911 but also those of 1949 and 1979 But despite its ambitious scope Chai's analysis is authoritative nuanced and full of detail It will surely become necessary reading not only within the academic community of China scholars and students but also among that even larger audience of readers seeking to understand the rise of China Robert Ash University of London UK For most people interested in the contemporary Chinese economy the story begins with Deng Xiaoping's policy of Opening and Reform in 1978 This is especially true of students from China where modern history is still taught in a simple politically determined framework This situation urgently needs remedying and Joseph Chai's new book is a valuable step in this direction Chai surveys China's economic growth from the earliest times to the present day explaining the key turning points and the intellectual puzzles that arise in this long evolution This book will be of interest to the general reader and will be valuable as a textbook for students studying any aspect of China's current development and prospects Christopher Howe University of London UK Joseph Chai places the recent phase of China's spectacular economic growth in its historical context in his well researched interesting and accessible overview of the economic history of China Because no similar up to date book is available in English English readers will find this book particularly welcome Valuable attributes of his exposition include analyses of various economic puzzles for example why did China which was once the world's economic leader falter suffer economic retardation fall behind Europe and begin its economic resurgence later than Japan and his thoughtful considerations of the prospects for China's future economic growth This book is highly recommended Clem Tisdell The University of Queensland Australia As a country's current development is path dependent the rise of China and its strategic implications can only be understood in a historical context Hence the key to understanding contemporary China is the understanding of its past So far there has been an absence of a comprehensive text dealing with Chinese economic history in the English language An Economic History of Modern China fills this important gap focusing on modern Chinese economic growth and comprehensively surveying the patterns of China's growth experience over the past 200 years from the Opium wars to the present day Key events are traced back to their foundations in history to explain their impact on China's modern economic growth

Governance of Intellectual Property Rights in China and Europe Nari Lee, Niklas Bruun, Mingde Li, 2016-01-29 Intellectual property IP law has been widely discussed in recent scholarship though many recent works explore the topic from a largely descriptive perspective This book provides an analytical and comparative study of Chinese and European IP law as well as an analysis of system reforms in China The book highlights in three parts intellectual property for innovation and creativity in China comparing concepts and norms in Chinese and European IP law and governance of

practices and IP enforcement Demonstrating that the governance of IP rights requires the adoption of a set of norms the contributors also argue that success is dependent on a transformation of the perspectives and implementation Students and scholars of IP law and Chinese IP law in particular will find this book to be a valuable resource to their work It will also be of interest to IP practitioners looking for an insight into system reforms in China **Forces for Change in Contemporary China** Bih-jaw Lin,James T. Myers,1993

Yeah, reviewing a ebook **Answer Key Quiz Emergence Of Modern China Answer Key** could accumulate your close connections listings. This is just one of the solutions for you to be successful. As understood, capability does not recommend that you have astonishing points.

Comprehending as well as union even more than new will pay for each success. bordering to, the notice as with ease as keenness of this Answer Key Quiz Emergence Of Modern China Answer Key can be taken as well as picked to act.

Answer Key Quiz Emergence Of Modern China Answer Key Introduction

In the digital age, access to information has become easier than ever before. The ability to download Answer Key Quiz Emergence Of Modern China Answer Key has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Answer Key Quiz Emergence Of Modern China Answer Key has opened up a world of possibilities. Downloading Answer Key Quiz Emergence Of Modern China Answer Key provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Answer Key Quiz Emergence Of Modern China Answer Key has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Answer Key Quiz Emergence Of Modern China Answer Key. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Answer Key Quiz Emergence Of Modern China Answer Key. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Answer Key Quiz Emergence Of Modern China Answer Key, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Answer Key Quiz Emergence Of Modern China Answer Key

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Answer Key Quiz Emergence Of Modern China Answer Key Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Answer Key Quiz Emergence Of Modern China Answer Key is one of the best book in our library for free trial. We provide copy of Answer Key Quiz Emergence Of Modern China Answer Key in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Answer Key Quiz Emergence Of Modern China Answer Key. Where to download Answer Key Quiz Emergence Of Modern China Answer Key online for free? Are you looking for Answer Key Quiz Emergence Of Modern China Answer Key PDF? This is definitely going to save you time and cash in something you should think about.
