Another Place In Time English Edition:

Another Place in Time Anna Fox, 2020-10-23 Kate Adams a prima ballerina and control freak has a slight problem she's missing her body Bodies are pretty vital so what gives Is she dead a ghost or just super delirious A quirky guy greets her explains that she's been in an accident and is now a spirit traveler What He offers her a cup of tea and the drink calms her just enough to follow her annoying spirit guide around And then as if things couldn't get any worse the Hotel Hereafter is booked and she's bunking with a handsome but arrogant Englishman Richard Bennett in the only cottage left for spirit travelers Once Kate and Richard's angst toward one another clears it's all coming up roses But one major complication remains they return to their mortal lives with no recollection of their ghostly rendezvous Six months after the accident while visiting her former dance teacher in England Kate runs into Richard Their touch releases a shared jolt of déjà vu of their romantic stay in the Hereafter Drawn together and a little panicked by this mysterious connection Richard pursues the woman he is certain he loves from another place in time Resistant at first Kate struggles to come to terms with what she's learned Lingering dreams that bind her to him give her the extra boost When Kate confronts Richard's brother Will about his secretive role in one of her visions Will's reaction to the threat he perceives from her renders Kate a criminal target And it's up to her to outsmart the man who wants her to disappear or she might not have the chance to dance the lead with Richard because she'll be dead

Another Time, Another Place Larry L. Harshbarger, 2004-11-11 It was a time of extreme peril The Great Depression was winding down and World War II was starting The author witnessed the Greatest Generation first hand as he saw many young men including his older brother leave town and go off to war On the home front there developed a closeness and support of family friends and neighbors not seen before or since Through good and bad times the towns young boys hiked fished hunted and trapped in the streams fields forests and mountains surrounding their homes It was truly an era that will never be again

Another Time, Another Place Gordon E. Jenkins, 2003-05-07 Two young people one white and one deemed black products of their environment separated by the rigid inhumane caste system of the Jim Crow South meet by chance bond and begin a forbidden relationship which nurtures and grows even when they attempt to terminate it knowing the potential consequences if they are discovered As they secretly flaunt the laws and traditions of the day they aggressively pursue their individual ambitions to escape the equally binding economic shackles As their commitment to each other becomes stronger they become bolder and challenge the status quo in ways that cannot be ignored by the power structure Their actions coupled with fate trigger unforeseen events with tragic consequences
