The possession or use of any communications device is strictly prohibited when taking this examination. If you have or use any communications device, no matter how briefly, your examination will be invalidated and no score will be calculated for you.

Print your name and the name of your school on the lines above. A separate answer sheet has been provided to you. Follow the instructions from the proctor for completing the student information on your answer sheet. Then fill in the heading of each page of your essay booklet.

This examination has three parts. You are to answer **all** questions in all parts. Use black or dark-blue ink to write your answers to Parts II and III.

Part I contains 28 multiple-choice questions. Record your answers to these questions as directed on the answer sheet.

Part II contains two sets of constructed-response questions (CRQ). Each constructed-response question set is made up of 2 documents accompanied by several questions. When you reach this part of the test, enter your name and the name of your school on the first page of this section. Write your answers to these questions in the examination booklet on the lines following these questions.

Part III contains one essay question based on five documents. Write your answer to this question in the essay booklet.

When you have completed the examination, you must sign the declaration printed at the end of the answer sheet, indicating that you had no unlawful knowledge of the questions or answers prior to the examination and that you have neither given nor received assistance in answering any of the questions during the examination. Your answer sheet cannot be accepted if you fail to sign this declaration.

DO NOT OPEN THIS EXAMINATION BOOKLET UNTIL THE SIGNAL IS GIVEN.

Environmental Education KHRITISH SWARGIARY, 2025-05-01

Environmental Education is an essential subject in the contemporary world especially given the alarming challenges that our planet faces due to environmental degradation resource depletion and climate change As the world's ecosystems are under unprecedented pressure from human activity it has become imperative that future generations are not only aware of these

issues but are equipped with the knowledge and skills to tackle them The course Environmental Education offered under the Gauhati University Four Year Undergraduate Programme FYUGP aims to do precisely this to educate students on the relationship between humans and the environment the importance of environmental conservation and the urgent need for sustainable development This book Environmental Education is designed to serve as a comprehensive guide for students enrolled in the 5th semester of the Education course It delves into the fundamental concepts challenges and practices related to the environment with a particular emphasis on raising awareness about environmental hazards and promoting conservation efforts By the end of this course students will not only understand the crucial importance of the environment in human life but will also be equipped with the strategies to address the pressing environmental issues that threaten our planet Throughout this book I have made an effort to cover the major facets of Environmental Education which include a clear definition of environment the relationship between humans and the environment and human impact on ecological systems The book also explores significant environmental movements and projects such as the Chipko Movement the Silent Valley Project and the Narmada Valley Project illustrating how communities and governments have responded to environmental challenges The book further engages with environmental ethics and sustainable development encouraging students to reflect on the moral aspects of environmental protection and consider the long term impacts of their actions on future generations Environmental Education is not merely a subject to be studied it is a call to action The information presented here aims to guide students in critically assessing the current state of the environment and to provide them with the knowledge required to make informed decisions that can benefit both society and the planet As they examine environmental hazards and pollution students are encouraged to reflect on the roles they can play in mitigating environmental degradation and promoting sustainability in their communities and beyond Incorporating the Sustainable Development Goals SDGs into the curriculum this book highlights the significance of goals such as Goal 7 Affordable and clean energy Goal 12 Responsible consumption and production and Goal 13 Climate action By integrating these global targets the book empowers students to think critically about their contributions to achieving a sustainable future The relevance of this course is not limited to academic success alone It is a crucial step in preparing students to become responsible global citizens who can contribute meaningfully to environmental stewardship As environmental concerns continue to shape policies economies and societies worldwide it is vital that young minds are engaged and equipped with the knowledge to confront these challenges with intelligence compassion and creativity In closing I hope that this book will serve as a valuable resource for students pursuing Environmental Education providing them with not just theoretical knowledge but also a practical understanding of the critical environmental issues we face today Together we can inspire a generation of thinkers and activists who are committed to protecting our planet for future generations Khritish Swargiary May 2025
