same troubles humiliation regrets that I had to live with No body told me that the life I was about to live would only be the beinging of what the war did to our minds body and soul Viet Nam took it s toll on those who fought and came home The realization that something was very wrong came years later Men turned to drugs and alcohol to numb the paim of reliving the memories that like a movie ran endlessly day in and day out Night time brought out the demons lodged in our subconscious Wives and children would suffer marriages would break up men lost all respect from the communities where they made and called home Everybody became a threat an enemy to the Veteran Trying to sleep knowing that any noice would demand constance vigilance Post Tramatic Stress Disorder or PTSD was not even heard about after 30 plus years of suffering and humilation disgraced disfunctional families were created and nobody would pin point the cause of why Veterans were rapidly becoming victims We were never accepted by our country for doing a job that was called by our own government We have paid a heavy price trying to bring freedon to a country that cared less In my book I tried to bring some answers to the fanilies of Veterans who were shut out and suffered at the hands of those who wanted to reach out but who would not yet begin to trust the people around them Maybe from a Veteran who has gone through the same troubles at home and work and the fear of dying will bring some answers **TX Ate Eol 2000 G 9** Holt Rinehart & Winston,2000
