

The background of the cover features a detailed, high-resolution image of a printed circuit board (PCB). The board is a golden-brown color, with intricate patterns of copper traces and pads. Numerous small, dark components, likely surface-mount devices, are visible, soldered onto the board. The pattern is dense and complex, typical of modern electronic hardware. The top and bottom edges of the cover are framed by a wavy, horizontal band of a lighter, golden-brown color, which separates the PCB image from the central white area containing the title.
