15 South African Army Intake:

A Question of Loyalty Alon Peled, 1998 States that use military conscription and whose ethnic minorities have relatives in hostile countries face a Trojan horse dilemma the state demands military service but mistrusts the loyalty of subjugated community members Some armies brutalize ethnic recruits others simply reject them Alon Peled compares the experiences of Malay Muslim soldiers in Singapore Arabs in Israel and blacks in South Africa Drawing on his interviews with senior officers and policymakers he examines the histories of these armies and their levels of ethnic integration He also suggests how minority soldiers can be gradually recruited integrated and promoted Ethnic soldiers can only succeed Peled argues when officers formulate manpower policy on the basis of combat needs rather than political concerns Peled highlights the behind the scenes roles played by officers and ethnic leaders He advocates new policies for change recommending that the leaders of ethnically torn countries such as the republics of the former Soviet Union and states in central Africa allow professional officers to introduce soldiers from mistrusted ethnic groups through a process of phased integration *Chhattisgarh Police Constable Recruitment Exam Book (English Edition) | 15 Practice Tests (1500+ Solved MCQs)* EduGorilla Prep Experts, 2023-10-18 Best Selling Book in English Edition for Chhattisgarh Police Constable Exam with objective type questions as per the latest syllabus Chhattisgarh Police Constable Exam Preparation Kit comes with 15 Practice Tests with the best quality content Increase your chances of selection by 16X Chhattisgarh Police Constable Exam Prep Kit comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts *Indigenous Peoples of the British Dominions and the First World War* Timothy C.
