16 Prospectus Of University Of Pretoria:

Organise or Die? Raphaël Botiveau, 2017-12-01 The story of one of the leading trade unions in South Africa the National Union of Mineworkers and its role in the struggle against white minority rule Organise or Die Democracy and Leadership in South Africa s National Union of Mineworkers NUM is the first in depth study of one of the leading trade unions in the country Founded in 1982 the trade union played a key role in the struggle against white minority rule before turning into a central protagonist of the ruling Tripartite Alliance after apartheid Deftly navigating through workerist social movement and political terrains that shape the South African labour landscape this book sheds light on the path that led to the unprecedented 2012 Marikana massacre the dissolution of the Congress of South African Trade Unions Cosatu federation and to fractures within the African National Congress ANC itself Working with the notions of organisational agency and strategic bureaucratisation Rapha l Botiveau shows how the founding leadership of NUM built their union s structures with a view to mirror those of the multinational mining companies NUM faced Good leadership proved key to the union s success in recruiting and uniting mineworkers and NUM became an impressive school for union and political cadres producing a number of South Africa s top post apartheid leaders An incisive analysis of leadership styles and strategies shows how the fragile balance between an increasingly distant leadership and an increasingly militant membership gradually broke down Botiveau provides a compelling narrative of NUM s powerful history and the legacy of its leadership It will appeal to a broad readership including journalists students and social sciences scholars interested in South Africa s contemporary politics and labour history Catalog of the Library of the Academy of Natural Sciences of Philadelphia Academy of Natural Sciences of Philadelphia. Library, 1972 **International Christian Literature Documentation Project: Author-editor index, corporate name index**, 1993 **Integrating Predation Risk Across Scales: From Neurons to Ecosystems and Milliseconds to Generations** Jacqueline Jeannette Blundell, Evan Preisser, 2020-06-04 *Subject Index of Modern Books Acquired* British Library, 1971 **The Remnants of Race Science** Sebastián Gil-Riaño, 2023-08-29 After World War II UNESCO launched an ambitious international campaign against race prejudice Casting racism as a problem of ignorance it sought to reduce prejudice by spreading the latest scientific knowledge about human diversity to instill mutual understanding between groups of people This campaign has often been understood as a response led by British and U S scientists to the extreme ideas that informed Nazi Germany Yet many of its key figures were social scientists either raised in or closely involved with South America and the South Pacific The Remnants of Race Science traces the influence of ideas from the Global South on UNESCO s race campaign illuminating its relationship to notions of modernization and economic development Sebasti n Gil Ria o examines the campaign participants involvement in some of the most ambitious development projects of the postwar period In challenging race prejudice these experts drew on ideas about race that emphasized plasticity and mutability in contrast to the fixed categories of scientific racism Gil Ria o argues that these same ideas

legitimated projects of economic development and social integration aimed at bringing ostensibly backward indigenous and non European peoples into the modern world He also shows how these experts promotion of studies of race relations inadvertently spurred a deeper reckoning with the structural and imperial sources of racism as well as the aftermath of the transatlantic slave trade Shedding new light on the postwar refashioning of ideas about race this book reveals how internationalist efforts to dismantle racism paved the way for postcolonial modernization projects
