Legislative Calendar United States. Congress. House. Committee on Transportation and Infrastructure, 2016 *At War with the 16th Irish Division, 1914-1918* J. H. M. Staniforth, 2012-12-19 The letters of John Max Staniforth are among the most perceptive graphic and evocative personal records of a soldier's life to have come down to us from the Great War They cover his entire wartime career with the 16th Irish Division from his enlistment in 1914 till the armistice and they have never been published before From his first days in the army Staniforth wrote fluent descriptive weekly letters to his parents and in doing so he created a fascinating record of his experiences and those of the men around him When the division arrived on the Western Front in 1915 he related his impressions in detail and went on to give an unflinching account of the drama and the cruelty and the grueling routine of trench warfare After he was gassed in 1918 he wrote about his feelings and the treatment he received just as thoroughly as he did about every other aspect of the conflict A striking aspect of the letters is that Staniforth enlisted as a private soldier and went through the training of the ordinary recruit before rising through the ranks The letters also show how the Irish division was influenced by the turmoil of contemporary politics in Ireland **New York Magazine** , 1973-12-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Report of the Special Study of Securities Markets of the Securities and Exchange Commission* United States.
