Young Zambia Karin Moder, Heribert Zingel, 2022-08-08 Zambia is a remarkable country on a remarkable continent whose inhabitants to a large extent are still mostly poor but who are rightfully called entrepreneurs at heart As the Economist put it The 21st Century is the African Century *Young Zambia* portrays Zambia as a country amidst poverty and abundant resources In spite of major attractions such as the amazing Victoria Falls and vast national parks Zambia is not yet widely known as a tourist destination Among business people Zambia has a reputation of being Africa's second biggest producer of copper and being rich in other natural resources and gemstones Adding to this Zambia has recently been working on setting up a framework for becoming a major digital hub in Africa Last but not least NGOs and political observers praise Zambia for its history of several peaceful transitions between different ruling parties sth not yet to be taken for granted in Africa In August 2021 Zambian voters went to the polls bringing in the so called New Dawn Government under President Hakainde Hichilema a change which has since attracted a lot of international attention and caused the local currency Kwacha to appreciate The *Young Zambia* team of Zambian experts on country and people was thus inspired to work on a new edition of the book which was first published in October 2019 The new Africa Edition among other things includes information on Covid 19 in Zambia and will become available both in Zambia and Europe [PISA Making Education Count for Development Data Collection and Availability in Six PISA for Development Countries](#) UNESCO Institute for Statistics, 2016-09-28 This report provides a systematic review of the collection availability and quality of metadata as well as data regarding education at the system level for countries participating in the PISA for Development PISA D project Cambodia Ecuador Guatemala Paraguay Senegal and Zambia [2015 Living Conditions Monitoring Survey \(LCMS\) Report](#), 2016 **The Oxford Handbook of the Zambian Economy**, 2024-08-23 This handbook offers a comprehensive and authoritative account of the Zambian economy including past and current trends The Zambian economy has evolved from simple and fragmented agrarian activities at the turn of the 20th Century into a wide range of organized and regulated modern economic activities today While the economy has largely revolved around the mining industry since the early 1920s when the extraction of copper and other mineral ores on the Copperbelt begun there has been a gradual broadening of economic activities over time with services now accounting for almost two thirds of gross domestic product GDP This book shows that since colonial times one of the persistent items on the economic development agenda in what is today known as Zambia has been the need to diversify the economy to reduce dependence on mining in terms of foreign exchange earnings and public revenue While the need to diversify the economy has been well acknowledged by successive Zambia governments including the current government achieving this goal has proved to be elusive so far By presenting a collection of well researched and empirically supported chapters on the key areas of the Zambian economy this volume gives readers a good sense of where the Zambian economy has come from where it is at the moment but also highlights the challenges and

prospects for economic growth **Labour Market Transitions of Young Women and Men in Zambia** F. J. SADC Gender Protocol 2015 Barometer Morna, Colleen Lowe, Dube, Sifiso, 2016-02-22 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the

umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 Foreign Direct Investment in Agriculture Jan Schüpbach,2015-10-07 Foreign direct investment in agriculture and land has increased substantially since the 2007 2008 food price crisis However there is a severe lack of quantitative evidence on its economic impact Therefore the primary goal of this study was to collect and analyze empirical evidence in order to better understand the potential benefits and pitfalls of such investments and related processes of agricultural commercialization In particular the study tests the effect of two strategies for including smallholder farmers into modern food supply chains 1 Outgrower schemes i e a type of contract farming whereby small scale farmers produce crops for large scale farming enterprises 2 Wage employment on large scale estates The central part of the study looks at one specific investment project in the Zambian sugar cane sector This sectoral focus was supplemented by a broader cross sectoral analysis of a large nationally representative panel survey Overall the evidence suggests that large scale investments by foreign as well as domestic companies and especially the model of cooperation with smallholder farmers in outgrower schemes can indeed have positive and significant effects on the income and wealth of rural households

Education for All Global Monitoring Report 2008 United Nations Educational, Scientific and Cultural Organization (UNESCO),2007-11-29 Working towards the 2015 millennium development goals this global report marks the midterm point and provides a rich evidence based assessment of the provision of education on a global scale Based on specialized commissions extensive consultations and multiple research sources the report provides an authoritative comparative reference **Cross-border Languages** Karsten Legère,1998 **Spotlight on Basic education completion and foundational learning in Africa** African Centre for School Leadership,Association for the Development of Education in Africa,Education Sub-Saharan Africa,Flemish Association for Development Co-operation and Technical Assistance,Forum for African Women Educationalists,Global Education Monitoring Report Team,2025-10-29 *Improving Early Literacy Outcomes* Nic Spaull,John Comings,2019-05-15 Learning to read and write for meaning and pleasure are arguably the two most important competences that children acquire in primary school Yet in 2019 more than one half of children worldwide do not reach this first rung on the literacy ladder Improving Early Literacy Outcomes aims to address this head on by foregrounding the work of more than 40 researchers most of them living in and working on developing countries Their

contributions illuminate magnify and discover anew the importance of improving early reading through precise alignment of curriculum teaching and assessment and with a special focus on some of the most under studied countries in the world e g Burkina Faso Niger and Senegal Through probing analyses of research policy and practice the book highlights the common experiences of high aspirations repeatedly confronting harsh realities Sixteen interconnected chapters cast an ever vigilant and deflationary eye on the temptation to take an unrealistic approach to early literacy and also caution against lumping all languages contexts and policy challenges into a single heap This book provides an indispensable guide to policymakers practitioners educators and academics working towards the realisation of the UN Sustainable Development Goals SDGs Improving the teaching learning and assessment of early grade literacy is key not only to expanding the quality access and equity of education but also to unlocking all the other SDGs and ultimately to driving development
