2016 Technikons Registration:

The Grants Register 2016 Palgrave Macmillan Ltd,2016-12-27 The most comprehensive guide on postgraduate grants and professional funding globally For thirty four years it has been the leading source for up to date information on the availability of and eligibility for postgraduate and professional awards Each entry is verified by its awarding body and all information is updated annually *The Statesman's Yearbook 2016* Nick Heath-Brown,2017-02-07 Now in its 152nd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions www.statesmansyearbook.com **Re-imagining Curriculum** Lynn Quinn,2019-11-15 The book argues that academics academic developers and academic leaders need to undertake curriculum work in their institutions that has the potential to disrupt common sense notions about curriculum and create spaces for engagement with scholarly concepts and theories to re imagine curricula for the changing times Now more than ever in the history of higher education curriculum practices and processes need to be shared the findings of research undertaken on curriculum need to be disseminated to inform curriculum work We hope the book will enable readers to look beyond their contextual difficulties and constraints to find spaces where they can dream and begin to implement innovative and creative solutions to what may seem like intractable challenges or difficulties Higher Education Pathways Ashwin, Paul,Case, Jennifer M.,2018-12-14 In what ways does access to undergraduate education have a transformative impact on people and societies What conditions are required for this impact to occur What are the pathways from an undergraduate education to the public good including inclusive economic development These questions have particular resonance in the South African higher education context which is attempting to tackle the challenges of widening access and improving completion rates in in a system in which the segregations of the apartheid years are still apparent Higher education is recognised in core legislation as having a distinctive and crucial role in building post apartheid society Undergraduate education is seen as central to addressing skills shortages in South Africa It is also seen to yield significant social returns including a consistent positive impact on societal institutions and the development of a range of capabilities that have public as well as private benefits This book offers comprehensive contemporary evidence that allows for a fresh engagement with these pressing issues **Emerging Dynamics in the Provision of Private Higher Education in Africa** Wondwosen Tamrat,Damtew Teferra,2024-05-29 This edited book examines the private higher education PHE sector in African countries Reports suggest that private institutions across the continent outnumber their public counterparts yet there has been little scholarly investigation into this emerging phenomenon The book therefore seeks to document map and analyse key trends and contemporary themes in the PHE sector as well as chart historical developments policy and regulatory frameworks As a whole it provides the reader with in depth knowledge rich perspectives and robust analyses from leading authorities in the field Contributions from all sub regions

combine thematic issues with shaping discourse on the topic and the discussions are undertaken in the context of global perspectives The book will be of interest to academics researchers postgraduate students policy makers analysts and development partners interested in African higher education and PHE in particular Register of Products Manufactured in South Africa, 1979 ,1983 *Institutional Research in South African Higher Education* Jan Botha,Nicole J

Muller,2016-11-01 The book provides a thorough overview of Institutional Research IR i e applied higher education research undertaken within universities in South Africa It is a collection of essays focusing on the character and institutional setting of IR how IR is embedded into the mechanisms of steering shaping and reforming higher education and what the major results were of IR in select thematic areas The book is a valuable resource for higher education researchers and social researchers in South Africa interested in higher education It also deserves to be read by practitioners and policymakers in the field of higher education in South Africa It serves as an interesting case study for higher education researchers all over the world

Maintenance Engineering for Buildings Ntebo Ngcobo,Clinton Aigbavboa,Douglas Aghimien,2024-10-25 Maintenance Engineering for Buildings Digital Solutions and Sustainable Practices offers a thorough body of knowledge on organizational frameworks assessment models and digital tools to carry out maintenance procedures aimed at keeping edifices and many other assets in the urban landscape not only in good working condition but also compliant with regulatory safety requirements and environmental standards As well as covering current research and the best practice in the field the volume is enriched by a number of case studies taken from the educational sector which explore how recent developments and other trends from are being applied in different geographical and economic contexts This reference work stands out for its invaluable relevance to audiences both in industry and academia while also serving as an excellent reference resource for future works in the area Combines recent research concepts with real world examples to facilitate understanding Introduces industry 4 0 technological advancements to provide reliable actionable guidance Includes case studies that illustrate the state of practice in both developed and developing countries Focuses on green maintenance strategies that are equally relevant to the public sector infrastructure as a whole **ICEL 2018 13th International Conference on e-Learning**

Professor Eunice Ivala,2018-07-05 **Extended Curriculum Programmes** Tennyson Mgtushini,2022-04-30 The introduction of ECPs in South African Universities is seen by many as South Africa s key strategy for addressing the problem of poor patterns of student success and has its basis on the uncontested acceptance that an extended study duration may be necessary to bring some categories of learners to a level of parity with the readiness expectations of their course of study Even so this transformative strategic imperative has been plagued by a range of challenges that include poor systems readiness poor selection mechanisms in the identification of ECP students poor numeracy and literacy amongst students and indifferent teacher involvement in ECPs This volume offers a rare insight into many of the above recognised challenges and in so doing provides critical matter for thought for educators within the higher education sector **Academic**

Autoethnographies Daisy Pillay, Inbanathan Naicker, Kathleen Pithouse-Morgan, 2016-02-10 Academic Autoethnographies Inside Teaching in Higher Education invites readers to experience autoethnography as a challenging complex and creative research methodology that can produce personally professionally and socially useful understandings of teaching and researching in higher education The peer reviewed chapters offer innovative and perspicacious explorations of interrelationships between personal autobiographies lived educational experiences and wider social and cultural concerns across diverse disciplines and university contexts This edited book is distinctive within the existing body of autoethnographic scholarship in that the original research presented has been done in relation to predominantly South African university settings This research is complemented by contributions from Canadian and Swedish scholars The sociocultural educational and methodological insights communicated in this book will be valuable for specialists in the field of higher education and to those in other academic domains who are interested in self reflexive transformative and creative research methodologies and methods This book illuminates how autoethnography can engage authors and researchers from varied epistemological backgrounds in a reflexive multilogue about who they are and what they do The creative representations of the lived experience of doing autoethnography sets the book apart both methodologically and theoretically revealing how rigor and critical distance can serve to position autoethnography not only as a personal self development tool but a tradition and method in its own right Hyleen Mariaye Associate Professor Mauritius Institute of Education Mauritius This compelling book foregrounds autoethnography as an innovative and creative research methodology to generate reflexive sociological understandings of teaching and researching across disciplines in higher education Rich evocative and authentic accounts reveal unique possibilities for the transformation of teaching learning and research at personal professional and socio cultural levels Nithi Muthukrishna Professor Emerita University of KwaZulu Natal South Africa **Towards**

Employment-Intensive Growth in South Africa Anthony Black, 2016-07-01 South Africa's high rate of unemployment 26 4% makes it a complete outlier compared with other middle income countries Indeed the unemployment rate rises to 36% if discouraged workers are taken into account It underpins extreme poverty and inequality and is a major contributor to social dislocation If it were not for increased social payments poverty would have continued to increase since the advent of democracy in 1994 Unemployment also represents a huge cost to growth This book focuses on the growth path of the economy The starting point is that while more rapid economic expansion is an important objective at any given level of growth the economy as a whole needs to become more labour absorbing The central question posed is how to bring about changes in the economic structure and pattern of development which would lead to the attainment of this objective The authors argue that employment needs to be much more centrally positioned within the economic and social policy arena They emphasise innovative approaches within a broader focus on the growth path and employment intensive growth And they posit that the negative impact of previous distortions requires much more than a levelling of the playing field via market

based reforms Apart from presenting an alternative growth path which could start to shift the economy in new directions the book tackles themes which have received only limited attention such as wage subsidies youth unemployment and employment growth in rural areas *The Statesman's Yearbook 2024* Palgrave Macmillan,2024-01-03 Now in its 160th edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions Debates of Parliament South Africa. Parliament,1993 **The Statesman's Yearbook 2017** Palgrave Macmillan,2017-02-28 Now in its 153rd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions www.statesmansyearbook.com **Implementing National Qualifications Frameworks Across Five Continents** Michael Young,Stephanie Allais,2016-04-08 This book assesses the impact and implementation of national qualifications frameworks in sixteen different countries It presents two major lessons for policy makers thinking of introducing a National Qualifications Framework NQF First that an NQF is only a way of framing existing provision it cannot on its own lead to the acquisition of skills or knowledge Second as an attempt to standardize learning something that is only to a limited extent standardizable NQFs have disadvantages as well as advantages The research was funded by the International Labour Organization ILO and the European Training Foundation ETF and partly as a result of the ILO ETF Report the Editors were asked by the World Bank to help them in advising the government of India on introducing a NQF for vocational qualifications Building on the findings of the report the editors of this book presented an NQF implementation strategy to the Government of India on behalf of the World Bank It laid out the steps and stages that would be involved and took account of the earlier experiences of introducing an NQF Although this strategy was prepared specifically for the Government of India others who have read it felt it deserved wider circulation The report has therefore been included in this volume Since this research was undertaken the number countries especially developing countries implementing or introducing a NQF has continued to increase This book will be of interest to policy makers and researchers This book was originally published as a special issue of the Journal of Education and Work

Sustainable Ecological Engineering Design Lloyd Scott,Mohammad Dastbaz,Christopher Gorse,2020-06-29 Through research and proven practice the aim of the International Conference of Sustainable Ecological Engineering Design for Society SEEDS is to foster ideas on how to reduce negative impacts on the environment while providing for the health and well being of society The professions and fields of research required to ensure buildings meet user demands and provide healthy enclosures are many and diverse The SEEDS conference addresses the interdependence of people the built and natural environments and recognizes the interdisciplinary and international themes necessary to assemble the knowledge required for positive change Rural Transitions to Higher Education in South Africa Sue Timmis,Thea de Wet,Kibashini

Naidoo,Sheila Trahar,Lisa Lucas,Emmanuel Mfanafuthi Mggwashu,Patricia Muhuro,Gina Wisker,2021-09-14 This unique and timely book focuses on research conducted into the experiences of students from rural backgrounds in South Africa foregrounding decolonial perspectives on their negotiation of access and transitions to higher education This book highlights not only the challenges of coming from a rural background against the historical backdrop of apartheid and ongoing colonialism but also shows the immense assets that students from rural areas bring into higher education Through detailed narratives created by student co researchers the book charts early experiences in rural communities negotiations of transitions to university and in many cases to urban life and students subsequent journeys through higher education spaces and curricula The book will be of significant interest and value to those engaged in rurality research across diverse settings those interested in the South African higher education context and higher education more widely Its innovative participatory methodology will be invaluable to researchers seeking to conduct collaborative research that draws on decolonising approaches
