Michelle Rose,2025-02-13 Twenty four year old Emma Walker is the kind of woman who prefers to stay out of the limelight Strong willed fiercely independent and unapologetically herself she's spent years carving out a quiet ordinary life far away from the glittering world she was born into Born into a family of fame and fortune Emma had tasted the spotlight early on but it never suited her She walked away from it all choosing instead to live on her own terms away from the prying eyes and endless expectations But life has a way of throwing curveballs and Emma's carefully constructed world is about to be turned upside down When a sudden crisis forces her back into the public eye she finds herself with no choice but to step into the one place she never wanted to return to the spotlight And this time she's not alone Enter Joshua Johnson arrogant infuriating and undeniably sexy CEO of one of the most powerful companies in the city Joshua is everything Emma avoids a man who thrives in the limelight who commands attention with every step and who seems to have a knack for getting under her skin When their paths collide it's not just sparks that fly it's an all out explosion Thrust into a whirlwind of paparazzi boardroom battles and late night confrontations Emma finds herself sharing the spotlight with the one man she can't stand Joshua is everything she doesn't want cocky controlling and far too used to getting his way But beneath his polished exterior lies a complexity she can't ignore a side of him that challenges her in ways she never expected As the lines between hatred and attraction blur Emma is forced to confront her own fears and insecurities Can she navigate this new reality without losing herself in the process Can she stand toe to toe with Joshua without falling for his charm And when the crisis that brought them together

threatens to tear everything apart will they be able to set aside their differences and fight for what truly matters

Still, the more time she spends with the guy, the more she finds herself warming up to his unexpected charms. Even though Brett comes off like a boy scout, Ellie has sparked something he wants badly enough to get him to rethink his past mistakes. But when her ex shows up, Brett makes it his mission to keep Ellie safe in the here and now. His gut tells him the guy's trouble, and Ellie must agree because she doesn't complain when Brett pulls her close. To keep her safe, though, he'll have to choose between breaking her heart and breaking the rules. Praise for the Friends First series: A tale told well.
