Weygandt,Donald E. Kieso,2010-12-01 With this fourth edition accountants will acquire a practical set of tools and the
confidence they need to use them effectively in making business decisions It better reflects a more conceptual and decision
making approach to the material The authors follow a macro to micro strategy by starting with a discussion of real financial
statements first rather than starting with the Accounting Cycle The objective is to establish how a financial statement
communicates the financing investing and operating activities of a business to users of accounting information This motivates
accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers

Accounting Principles Jerry J. Weygandt,Paul D. Kimmel,Donald E. Kieso,2018-06-06 Accounting Principles provides
students with a clear introduction to fundamental accounting concepts with an emphasis on learning the accounting cycle
from a sole proprietor perspective This product helps students get the most out of their accounting course by making
practice simple Streamlined learning objectives help students use their study time efficiently by creating clear connections
