

ACCOUNTING CHPT 1-3

Chapter 1-Summary:

Objective 1 :Explaining why accounting is the language of business.

- A. Accounting is an information system that measures business activities, processes data into reports, and reports results to decision makers. (Financial statements/balance sheets report this information to users)
- B. Accounting information is used by:
 - 1. **Managers:** to set goals, evaluate those goals and take corrective action
 - 2. **Investors:** to decide whether to invest in a business or evaluate an investment
 - 3. **Creditors:** to evaluate a borrowers ability to make required payments
 - 4. **Government and regulatory bodies** such as Canada Revenue Agency (CRA) to ensure organizations pay for the correct amount of taxes
 - 5. **Individuals** to make investment decisions and/or manage a bank account
 - 6. **Not-for-profit organizations** which use accounting information in virtually the same way as profit organizations
- A. Accounting information can be classified into two categories:
 - 1. **Financial accounting:** provides information for managers inside the business and for decision makers outside the organization, such as investor and creditors
 - 2. **Managerial accounting:** generates inside information for internal use by management
- A. Types of business organizations
 - 1. **Proprietorship:** an unincorporated business with a single owner. The owner has unlimited liability which means that the owner assumes personal responsibility for the debts of the business
 - 2. **Partnership:** an unincorporated business owned by two or more owners. Each partner has unlimited liability
 - 3. **Corporation:** an incorporated business owned by shareholders whose ownership is evidenced by the number of shares held. A shareholder has limited liability. A corporation is distinct from its owners and has many of the rights entitled to a person.

Objective 2: Explain accounting's conceptual framework and underlying assumptions

- A. **Generally Accepted Accounting principles or (GAAP)** are the professional guidelines that govern how accountants record, measure and report financial information.
- A. The overall objective of financial reporting is to provide useful information to users to make investing and lending decisions. The characteristics of useful information include: relevance, faithful representation, comparability, verifiability, timeliness and understandability.
 - 1. **The relevance characteristic** must be considered to ensure the financial statements provide information to the user that is useful. Information must provide predictive and/or confirmatory value.
 - 2. **The faithful representation (or reliability) characteristic** states that accounting records should be based on accurate data. The actual cost of assets or services is usually more reliable than market value.

Accounting Chpt 20 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Accounting Chpt 20 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Accounting Chpt 20 has opened up a world of possibilities. Downloading Accounting Chpt 20 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Accounting Chpt 20 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Accounting Chpt 20 . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Accounting Chpt 20 . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Accounting Chpt 20 , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have

reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Accounting Chpt 20 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
