Accounting June 2zimsec Paper 1:

Extractive Industry Indigenisation in Zimbabwe Kennedy Manduna, 2025-09-25 This book explains how and why Zimbabwe's extractive industry Indigenisation over promised its benefits yet under delivered upon implementation This book traces the history of uneven development in Zimbabwe from the initial days of colonialism to the present using the extractive industry as the unit of analysis to carve out a granular and empirical analysis of the preponderance of transnational corporate control and ownership in the country Indigenisation of Zimbabwe's extractive industries was intended to address mining inequalities by transferring wealth from rich non Indigenous mining capital to disadvantaged Indigenous citizens and communities This policy however was a response to political economic and social crises posed by the international isolation of Zimbabwe's government following the controversial Fast Track Land Reform Programme in 2000 2003 An intervention therefore which promised to address inequalities has thus been hampered by corruption co optation and collusion which has led to it not only failing to address uneven development but in actual fact worsening the situation By examining the hidden structures and infrastructures of power capital and minerals and placing extractive industry Indigenisation in capitalism this book makes a crucial scholarly contribution to the renewed and burgeoning debates around the resurgence of resource nationalism in general and the struggle for economic sovereignty in particular This book steers readers more broadly to look for new and diversified ways of empowering Indigenous populations and their communities through mining Indigenisation in ways that do not threaten economic and political stability This book will be of great interest to students and scholars of the extractive industries natural resource management African politics and African development [Making Politics in Zimbabwe's Second Republic](#) Gordon Moyo, Kirk Helliker, 2023-05-16 The book provides a fresh and innovative interpretation of the new government of Zimbabwe led by Emmerson Mnangagwa which emerged in late 2017 after the downfall of Robert Mugabe It demonstrates the contradictory character of the Mnangagwa government involving both continuities and discontinuities in relation to Mugabe's regime The temptation amongst Zimbabwean scholars has been to focus on the continuities and to dismiss the significance of any discontinuities notably reform measures This book adopts an alternative approach by identifying and focusing specifically on the existence of a formative project of the Mnangagwa's Second Republic further analysing its political significance as well as risks and limitations While doing so the book covers topics such as reform measures reconciliation transitional justice corruption the media agriculture devolution and the debt crisis as well as health and education Discussing the limitations of these different reform measures the book highlights that any scholarly failure to identify the risks of the project leads to an incomplete understanding of what constitutes the Mnangagwa's Second Republic The book appeals to students scholars and researchers of Zimbabwean and African studies political science and international relations as well as policymakers interested in a better understanding of political reform processes

Post-colonial struggles for a democratic Southern Africa

Carolyn Bassett, Marlea Clarke, 2017-06-26 National liberation one of the grand narratives of the twentieth century has left a weighty legacy of unfulfilled dreams This book explores the ongoing struggle for legitimate accountable political leaders in postcolonial Southern Africa focussing on dilemmas arising when ex liberation movements form the governments While the spread of multi party democracy to most countries in the region is to be celebrated democratic practice often has been superficial a limited elitist politics that relies on the symbols of the liberation struggle to legitimate de facto one party rule and authoritarian practices Using country cases from Tanzania Swaziland Zimbabwe South Africa and Zambia the collection explores three subthemes relevant to postcolonial governance in Southern Africa how the struggle for liberation shapes the character of political transformation the nature of rule in one party dominant states headed by former liberation movements and the processes of governance and resistance in post liberation contexts This book was published as a special issue of the Journal of Contemporary African Studies

The Primacy of Regime Survival

Mark Simpson, Tony Hawkins, 2018-05-02

This book analyses the past and ongoing decline of Zimbabwe under the rule of ZANU PF with a primary focus on the period 1997 to the present. In contrast to much existing literature on post independence Zimbabwe which has focused on the political dimensions of Zimbabwe's fragility, this research highlights the economic aspects of Zimbabwe's regression flowing from prolonged mismanagement of the economy which has served to consolidate the rule of the country's political and economic elite. The Zimbabwean experience offers unique insights into the economic dimensions of regime preservation. This book situates the Zimbabwe experience within the context of wider debates within the field of development studies and the international community's response to such situations. **Minerals Yearbook**, 2011 Zimbabwe Press Mirror, 2000

Handbook of Research on Strategies and Interventions to Mitigate COVID-19 Impact on SMEs Baporikar, Neeta, 2021-06-25. The COVID 19 pandemic has affected every aspect of the modern world and its impact is felt by all. The pandemic particularly has had a large impact on businesses as they were forced to close, supply chains were disrupted and new health and safety precautions were adopted. As such, many businesses, especially small businesses, were faced with losses they could not afford. Governments and stakeholders across the world have thus needed to formulate various strategies and interventions to mitigate the negative consequences of the COVID 19 pandemic, particularly as they relate to small and medium sized enterprises (SMEs). The *Handbook of Research on Strategies and Interventions to Mitigate COVID 19 Impact on SMEs* is a comprehensive reference source that encapsulates the overall effect of COVID 19 on SMEs and a variety of strategies to overcome the negative effects and create more sustainable policies and organizations moving forward. The book offers a thorough overview of interventions and tactics to help organizations, entrepreneurs and institutions of higher learning overcome the negative impact of COVID 19 while preparing policies for a more effective post pandemic world. Covering topics that include sustainable practices for development interventions to lessen the impact of COVID 19 and psychological resilience for SME employees, this book is ideal for entrepreneurs, managers, executives, small businesses, family firms, academicians, scholar practitioners, policymakers, researchers and students. **Annual Report of the Secretary for Education for the Year Ended ... Zimbabwe**. Ministry of Education, 1980. Inequalities in Zimbabwe Christopher Hitchens, David Stephen, Garfield Todd, 1981-01-01. The present report attempts to anatomize the social and economic predicament of Africans in Zimbabwe in the context of an exceptionally and unnecessarily painful and prolonged transition from Rhodesia to Zimbabwe. Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time. MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples. At the same time, after over 50 years work, we know that our archive is of considerable interest to activists and researchers. Therefore, we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues.

Accounting June 2zimsec Paper 1: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
