The Rough Guide to the Philippines David Dalton, Rough Guides, 2007-09-06 Vols for 2nd ed 2007 written and researched by David Dalton **The Rough Guide to the Philippines** , **Newbie Guide to Angeles City** Single Man's Travel, 2017-01-02 You might ask why Angeles City rather than your usual holiday destination Have you ever wondered what it is like to have women run after you like you're a star Sick of women who think a man's duty is to do everything and anything to keep her happy Sick of paying large amounts of money to have the company of women Want to travel to an exotic land where people are friendly and talking to females is as easy as breathing If you answered yes to any of these questions then Philippines and in particular Angeles City may be for you You can spot the guys on their first trip to Angeles City from a hundred metres yards They have a certain look in their eye that states that they can not believe what they are experiencing It is not easy to describe what can and does happen in Angeles City to those who have not experienced it It is like nothing else on the planet and is often described as Disneyland for adults Just imagine a world where as far as sex is concerned the role of males and females are reversed Females become the hunter and males the controlling influence on how often sex is preformed How does two or more sex partners in one day sound Image walking down the street and having nubile women scream after you to come have a drink with them Not only that but once you have got to know them a little you have the option of them accompanying you for the rest of the night The cost to you is dependant on how generous you are You need not even need to discuss how much you will give her the following day as she will say up to you In reality upwards of 1500 Pesos x e com for exchange rates is expected depending on where you find her This and much more is available in Angeles City Again it is all as easy as breathing Time with ladies is uncomplicated as long as you follow some simple rules Also with common sense you will remain safe and in good health This all comes with one warning After a first visit to Angeles City many men are often addicted for life Interests and hobbies you had in the past will be sacrificed as your energies will be focused on your next trip Many people stop going out in their home countries to save money for their next visit You may never be the same again Need an excuse to come Other than the nightlife and ladies there are other activities in the area Angeles City is also a popular diving destination with Subic Bay only an hour drive away There zoos to visit along with tropical gardens and war museums There are fun parks and if shooting ranges go karts loads of things to keep you occupied There are common misconceptions of Philippines that may make people think twice before coming on a first visit Due to the western media many people have the wrong idea of Philippines Many people have the impression that the men who travel as sex tourists are losers somehow On the contrary many who come to Angeles City are very successful in their chosen field of work **Angeles City Philippines After Hours** Alexander Diamond, 2017-01-04 This e book is all about one single man's adventures in Angeles City Philippines after hours The bars all night disco's and the many massage shops where a single guy can end up with a great oil massage and the optional happy ending In some cases I've taken artistic license to paint the

picture a bit clearer but everything you read is based on true stories as they happened to me personally Some of the stories sound almost too wild and crazy to be true yet they are Did I spend a lot of time in the pursuit spending intimate time with young beautiful Filipino girls in the bars massage shops and discos night after night Yes I did It s not for everyone but for single or divorced guys the nightlife can be heaven on earth especially if you re over age 50 Back in a western country let s face it unless you re a millionaire the ladies look at you like a dead man walking In the Philippines attractive girls in short tight dresses will make you feel like a young man again Do the bar girls and massage shop workers also think you re a walking ATM machine Sure they do But is that any different from a woman in the west that wants to know what kind of job you have car you drive and how new it is and whether you rent or own your home before she ever decides to go out on a date with you Make no mistake partying with 20 year old girls in the bars and discos of Angeles City can be addictive and even dangerous at times but that s Angeles City After Hours The alternative is to stay home grow old and wait until you flat line and fall face down into a bowl of oatmeal at the nursing home when you re 85 years old Personally I d rather flat line with a 20 year old Filipino girl that I picked up from an all night disco riding me hard until my heart pops like a balloon We all have to go sometime But some ways are better than others What will you choose A virtual How to guide for men to party like a rockstar in the Philippines *Vacation Goose Travel Guide Angeles City, Philippines* Francis Morgan,2017-09-22 Vacation Goose Travel Guide Angeles City Philippines is an easy to use small pocket book filled with all you need for your stay in the big city Top 35 city attractions top 50 city restaurants top 50 hotels and more than a dozen monthly weather statistics This travel guide is up to date with the latest developments of the city as of 2017 We hope you let this pocket book be part of yet another fun Angeles City adventure
