Angels Of The Battlefield:

Angels of the Battlefield ,1897 **Angels of the Battlefield** George Barton,1897 *In the Arms of Angels* Joan Wester Anderson,2009-03-16 Extraordinary stories of angelic encounters abound and best selling author Joan Wester Anderson brings together some of the most compelling true stories from the past five years in *In the Arms of Angels* From the harrowing account of a World Trade Center survivor's angelic encounter to the heartrending tale of a little boy who survives a car crash these stories illustrate how angels are at work in the world today encouraging us to see coincidences in our lives as God ordained events

Angels of the Battlefield George Barton,2019-11-22 In *Angels of the Battlefield* George Barton explores the pivotal role of nurses during the American Civil War a conflict often overshadowed by the tumult of combat yet equally significant Through poignant narratives and vivid imagery Barton examines the often unheralded contributions of these women who battled societal norms to provide care amidst chaos The book blends historical analysis with firsthand accounts encapsulated in a literary style that evokes both empathy and appreciation for the unsung heroes of the war Set against the backdrop of 1860s America the text situates these narratives within the larger discourse about gender roles and societal expectations of the era George Barton a historian and advocate for women's contributions to history draws on extensive research and personal narratives to craft this work His passion for social history and commitment to illuminating the past informs his depiction of the resilience and bravery exhibited by battlefield nurses Barton's academic background in both nursing and history uniquely positions him to present these stories with both authenticity and compassion shedding light on a crucial yet often neglected aspect of the Civil War *Angels of the Battlefield* is not only a compelling read for history enthusiasts but is essential for those interested in the evolution of women's roles in American society Barton's insightful analysis and engaging storytelling make this book a must have for libraries and personal collections alike offering a profound appreciation for those who tended to the wounded on the frontlines *ANGELS OF THE BATTLEFIELD* GEORGE. BARTON,2018

Angels of the Battlefield George Barton,2017-07-11 Excerpt from *Angels of the Battlefield* A History of the Labors of the Catholic Sisterhoods in the Late Civil War The Sisters soothed the restless patients bathed the fevered brows and moistened the parched lips with a touch impartially tender The attitude of the men themselves was not without interest Many of them had never seen a Sister before the majority of them looked upon the Sisters with distrust and suspicion The change that came in a short while came as actual knowledge comes when it dissipates prejudice and misrepresentation They could not help but be impressed with the quiet demeanor and the self sacrifice of the Sisters and unreasoning dislike and bigotry soon gave way to natural respect and esteem About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such
