Animation Behind the Iron Curtain Eleanor Cowen, 2020-09-22 Animation Behind the Iron Curtain is a journey of discovery into the world of Soviet era animation from Eastern Bloc countries From Jerzy Kucia s brutally exquisite Reflections in Poland to the sci fi adventure of Ott in Space by Estonian puppet master Elbert Tuganov to the endearing Gopo s little man by Ion Popescu Gopo in Romania this excursion into Soviet era animation brings to light magnificent art ruminations on the human condition and celebrations of innocence and joy As art reveals the spirit of the times animation art of Eastern Europe during the Cold War funded by the Soviet states allowed artists to create works illuminating to their experiences hopes and fears The political ideology of the time ironically supported these artists while simultaneously suppressing more direct critiques of Soviet life Politics shaped the world of these artists who then fashioned their realities into amazing works of animation Their art is integral to the circumstances in which they lived which is why this book combines the unlikely combination of world politics and animated cartoons The phenomenal animated films shared in

this book offer a glimpse into the culture and hearts of Soviet citizens who grew up with characters as familiar and beloved to them as Mickey Mouse and Bugs Bunny are to Americans This book lays out the basic political dynamics of the Cold War and how those political tensions affected the animation industry in both the US and in the Eastern Bloc And for animation novices and enthusiasts alike Animation Behind the Iron Curtain also offers breakout sections to explain many of the techniques and aesthetic considerations that go into this fascinating art form This book is a must read for anyone interested in the Cold War era and really cool animated films *Animated Mischief* Brian N. Duchaney, David S. Silverman, 2023-09-28 Over the last century the medium of animation has served as an expression of childhood as well as a method of subverting the expectations of what society has promised for the future Separated into three parts this work assembles various explorations of taste culture and passion through animation Section I features essays that outline the historical changes in art and society that gave rise to an outsider culture that found a home in animation In the second section essays examine the practical use of animation as a voice for the underserved Finally in Section III essays analyze the ways in which animation has reshaped the acceptance of outsider status to embrace otherness Featuring everything from feature length films to self produced YouTube videos the essays in this text reflect a shared love of animation and its unique ability to comment on society and culture
