Brass Diva Caryl Flinn, 2007-11-30 Broadway star Ethel Merman s voice was a mesmerizing force and her vitality was legendary yet the popular perception of La Merm as the irrepressible wonder falls far short of all that she was and all that she meant to Americans over so many decades This marvelously detailed biography is the first to tell the full story of how the stenographer from Queens New York became the queen of the Broadway musical in its golden age Mining official and unofficial sources including interviews with Merman s family and her personal scrapbooks Caryl Flinn unearths new details of Merman s life and finds that behind the high octane personality was a remarkably pragmatic woman who never lost sight of her roots Brass Diva takes us from Merman s working class beginnings through the extraordinary career that was launched in 1930 when playing a secondary role in a Gershwin Brothers show she became an overnight sensation singing I Got Rhythm From there we follow Merman s hits on Broadway her uneven successes in Hollywood and her afterlife as a beloved camp icon This definitive work on the phenomenon that was Ethel Merman is also the first to thoroughly explore her robust influence on American popular culture

The Great White Way Warren Hoffman,2020-02-14 Broadway musicals are one of America s most beloved art forms and play to millions of people each year But what do these shows which are often thought to be just frothy entertainment really have to say about our country and who we are as a nation Now in a new second edition *The Great White Way* is the first book to reveal the racial politics content and subtexts that have haunted musicals for almost one hundred years from *Show Boat* 1927 to *Hamilton* 2015 This revised edition includes a new introduction and conclusion updated chapters as well as a brand new chapter that looks at the blockbuster musicals *The Book of Mormon* and *Hamilton* Musical mirror their time periods and reflect the political and social issues of their day Warren Hoffman investigates the thematic content of the Broadway musical and considers how musicals work on a structural level allowing them to simultaneously present and hide their racial agendas in plain view of their audiences While the musical is informed by the cultural contributions of African Americans and Jewish immigrants Hoffman argues that ultimately the history of the American musical is the history of white identity in the United States Presented chronologically *The Great White Way* shows how perceptions of race altered over time and how musicals dealt with those changes Hoffman focuses first on shows leading up to and comprising the Golden Age of Broadway 1927 1960s then turns his attention to the revivals and nostalgic vehicles that defined the final quarter of the twentieth century He offers entirely new and surprising takes on shows from the American musical canon *Show Boat* 1927 *Oklahoma* 1943 *Annie Get Your Gun* 1946 *The Music Man* 1957 *West Side Story* 1957 *A Chorus Line* 1975 and *42nd Street* 1980 among others In addition to a new chapter on *Hamilton* and *The Book of Mormon*

this revised edition brings *The Great White Way* fully into the twenty first century with an examination of jukebox musicals and the role of off Broadway and regional theaters in the development of the American musical New archival research on the creators who produced and wrote these shows including Leonard Bernstein Jerome Robbins Stephen Sondheim and Edward Kleban will have theater fans and scholars rethinking forever how they view this popular American entertainment The Movie Guide James Monaco,1992 From *The Big Sleep* to *Babette's Feast* from *Lawrence of Arabia* to *Drugstore Cowboy* *The Movie Guide* offers the inside word on 3 500 of the best motion pictures ever made James Monaco is the president and founder of BASELINE the world's leading supplier of information to the film and television industries Among his previous books are *The Encyclopedia of Film* *American Film Now* and *How to Read a Film*
