Total Heart Health for Men Workbook Ed Young, Michael Duncan, Richard Leachman, 2006-01-01 Heart disease is the number one killer of men in America but the solution may be more complex than simply cutting out saturated fat and salt. There is an increasing body of scientific research supporting the link between physical and spiritual health. Dr. Ed Young best selling author and pastor of one of the largest churches in America is convinced of this link between our physical and spiritual health. In this workbook the authors demonstrate the direct correlation of the physical heart to the spiritual heart. This workbook offers men the tools they need to make realistic changes toward becoming the men they really want to be. Men will appreciate this workbook because it encourages them to be motivated to become better stewards of their physical bodies. Be motivated to discover the weak areas of their spiritual center the heart and do what they can to strengthen it. Understand and internalize the important relationship between a strong physical heart and a strong spiritual heart.
