Cygneth Brown is not a novice gardener. She has over forty years of practical gardening experience under her belt. For her, organic gardening principles are not simply a philosophy; they are a way of life. Without using chemical fertilizers, herbicides, or pesticides, she has managed to grow many of the family's groceries and has improved her corner of the planet's soil in the process. Her use of this natural, practical philosophy stems from the premise that healthy soil produces healthy plants.
