Reiss, Last year the notorious Doctor Fid waged a violent war to save the Earth from annihilation Two months ago the armored supervillain fought a vicious deadly battle to protect his city Today there is only one little girl in need of rescue Pity any who stand in Doctor Fid s way It has been more than two decades since the tragedy that led to the creation of Doctor Fid The brilliant supervillain built weapons of legendary power and forged a terrifying reputation out of violence and misery Even the mightiest heroes tremble at the sound of Doctor Fid s mocking laughter But time has dulled the villain s rage and the bloodiest years have become nothing but a bad memory Now a new tragedy looms and Doctor Fid must face his own inner demons before the old madness swallows him whole Because to prevent a repeat of his past the Doctor Fid of yesteryear would have been willing to sacrifice anything or commit any horror Even if it would have meant pulling the stars from the sky and tearing the very universe asunder **Starfall** Melissa Landers,2017-02-04 When Princess Cassia Rose fled her home world of Eturia to escape an arranged marriage she had no idea her sudden departure would spark a war Now after two years hiding as a ship hand she is finally returning to her beloved home but not in the way she imagined Shackled by bounty hunters she is violently dragged back to account for her crimes Her only solace is that the Banshee crew managed to evade capture including Kane Arric her best friend with occasional benefits Meanwhile Kane and the rest of the crew of the Banshee plan a desperate rescue mission But when they arrive on Eturia Cassia isn t exactly in need of heroics she s claimed her birthright as Eturia s queen but has inherited a war torn planet simmering with rebellion Cassia must make alliances and Kane the bastard son of a merchant isn t a choice that will earn her any friends Kane knows he will never find someone to replace Cassia and is certain she returns his feelings but how can he throw away his own promising future waiting on a queen When the outer realm is threatened by the dangerous Zhang mafia Cassia Kane and the rest of the Banshee crew uncover a horrifying conspiracy that endangers the entire universe In the face of unspeakable evil Cassia must confront her own family s complicated legacy on Eturia and decide once and for all who her real family is [Starfall Protocol](#) Rianna Chavezz,2024-11-20 Dr Stella Harper an astrophysicist whose passion for the cosmos rivals the brilliance of the Atacama Desert night sky searches for answers to a childhood enigma a meteor shower whispering secrets she s yearned to decipher Tonight however the universe offers a
