According To Mark:

The Gospel According to Mark William L. Lane, 1974 The Gospel of Mark is significant in many ways Not only was it the first Gospel to be written and an important literary source for Matthew and Luke but it is also best characterized as a witness document a proclamation of salvation through Jesus Christ which received its creative impulse from the early apostolic preaching This widely praised commentary by William Lane shows Mark to be a theologian whose primary aim was to strengthen the people of God in a time of fiery persecution by Nero Using redaction criticism as a hermeneutical approach for understanding the text and the intention of the evangelist Lane considers the gospel of Mark as a total literary work and describes Mark's creative role in shaping the Gospel tradition and in exercising a conscious theological purpose By indicating how the text was heard by Mark's contemporaries while also studying Mark within the frame of reference of modern Gospel research Lane has constructed a thoroughgoing work that is at once useful to scholars and intelligible to nonspecialists From publisher's description **According to Mark** Penelope Lively, 1985 En forfatter som skriver p en biografi over en bermt engelsk litterat forelsker sig hovedkulds i hans barnebarn men vender efter en kort hektisk sommer tilbage til sit tryggeskab *The Theology of the Gospel of Mark* William Telford, 1999-06-17 This 1999 book presents the reader with a comprehensive view of the theology underlying the first narrative account of the life of Jesus In Chapter 1 Dr Telford introduces the background of the text and its general message attempting briefly to place the Gospel and therefore its theology in its historical setting In the second chapter he describes and analyses the Gospel's theology again from an historical perspective and with particular regard to its original context In the third chapter Telford goes on to examine the Gospel in relation to other relevant writings of the New Testament Briefly reviewing this larger corpus and highlighting parallels and contrasts where appropriate he seeks to locate the Gospel's theology in its wider canonical context The fourth and final chapter ranges even further afield commenting on the Gospel's history of interpretation and on its significance in the contemporary context **Mark's Gospel--Prior or Posterior?** David Neville, 2002-08-01 The similarities and difference of arrangement and order of episodes in the gospels of Mark Matthew and Luke have always been one of the major criteria for resolving the Synoptic Problem How important and how reliable are arguments based on such considerations and where might they lead Here Neville reviews these issues in detail explaining the significance of his conclusions for understanding the literary relationships among the three Synoptics gospels and particularly for the competing theories of Markan priority the standard two source hypothesis and Markan posteriority the Griesbach hypothesis *Starting with the Spirit* Stephen Pickard, Tracy Preece, 2001-12-31 Within the field of theology per se a fundamental issue is raised when we begin with the Spirit This issue concerns the particular shape and trajectory of the Christian faith How will the doctrine of God at the heart of theology be re configured when the Spirit becomes the fundamental theme To begin with the Spirit is to place such a question at the centre of the theological agenda *The Turning Point in the Gospel of Mark* Gregg S. Morrison, 2014-09-24

Based on linguistic and thematic links in the narrative The Turning Point in the Gospel of Mark argues that the twin pericopae of Peter's confession 8:27-38 and the Transfiguration 9:2-13 together function as the turning point of the Gospel and serve in a Janus-like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1:1-13 and functions as a mid-course conclusion The declaration by God on the mountain faces forward and foreshadows the end-course conclusion 14:61-62:15:39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8:31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9:1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8:34-38 is to follow

Through the Eyes of Mark Jack Ciancio,2021-07-20 How did the early believers receive and understand the Gospel according to Mark Mark's Gospel cannot be fully understood unless we recognize the spiritual needs hopes and fears of his first-century audience and emerging church Through the Eyes of Mark immerses its readers in the realities of Mark's world It presents the findings of dozens of the world's leading biblical and New Testament scholars and historians in an easy-to-understand format Through the Eyes of Mark is a must-read for students of religion enlightening for general readers and a fresh addition to the field of Markan studies

The Date of Mark's Gospel James G. Crossley,2004-06-15 This book argues that Mark's gospel was not written as late as c. 65-75 CE but dates from sometime between the late 30s and early 40s CE It challenges the use of the external evidence such as Irenaeus and Clement of Alexandria often used for dating Mark relying instead on internal evidence from the gospel itself James Crossley also questions the view that Mark 13 reflects the Jewish war arguing that there are other plausible historical settings Crossley argues that Mark's gospel takes for granted that Jesus fully observed biblical law and that Mark could only make such an assumption at a time when Christianity was largely law-observant and this could not have been later than the mid-40s from which point on certain Jewish and gentile Christians were no longer observing some biblical laws e.g. food Sabbath
