regarded as investment transactions from the perspective of an investor that provides the funding. Although the perspective chosen in this volume is that of a firm raising funding, this volume will simultaneously provide information about the legal aspects of many investment transactions.

1.2 Funding Exit Acquisitions

Funding transactions are obviously an important way to manage cash flow. All investments will have to be funded in some way or another. The firm's funding mix will also influence risk in many ways.

Funding

The most important way to raise funding is through retained profits and by using existing assets more efficiently. The firm can also borrow money from a bank or issue debt, equity, or mezzanine securities to a small group of investors.
