Accounting Grade 1mid Year Exam Limpopo:

African Review ,1897 **Anti-American Myths** Arnold Beichman,2023-05-09 In his probing new introduction to Anti American Myths which was initially published twenty years ago as Nine Lies About America Arnold Beichman notes a powerful fact what makes the United States unique is not only its military power nor its huge economy nor even its great technological innovations Rather what differentiates the nation from virtually all others is that there is no large scale territorial movement whose sponsors seek to secede from the country and to establish a new nation And yet anti Americanism has characterized a small portion of ideologists whom Beichman refers to as radical egalitarians These prophets of doom still abound Everywhere the glib accusations are leveled America is sick racist materialist aggressive decadent and only violent revolution can save it Even the collapse of the Soviet Union and of socialist regimes in Eastern Europe has not quelled the rhetoric of anti Americanism It is Beichman s aim to explain the roots of such persistent opposition to American society as presently constructed Tom Wolfe in his Foreword shrewdly observes This is not a book about America it is a book that uses the subject of the United States as a device with which to explore the modern intellectual s retrograde habits of mind Beichman finds nothing particularly amusing about what American intellectuals do to rationality and the English language let alone the common weal when they get on the subject of the United States But I for one find his demonstration of the hash these men have made of the mother tongue extremely entertaining When initially published Beichman s classic was termed powerful persuasive and credible a laser beam of fact and reason by the Los Angeles Times and a most valuable antidote to a lot of cliché thinking and cliché thinking and cliché writing by the New York Times Edwin McDowell in his review for the WaH Street Journal reminds the reader that Beichman is not a rightwinger bent on defining the status quo but unabashedly a man of the left an important figure in the international trade union movement Anti American Myths will be of interest to intellectual historians political scientists sociologists and all readers interested in contemporary social and political affairs The Mining Journal, Railway and Commercial Gazette ,1899 South Africa ,1909 *Forest and Stream* ,1893 “The” Athenaeum ,1886 **Farmer's Weekly** ,1923 **The Farmer's Weekly** ,1929 **The Illustrated London News** ,1877 Dierkunde ,1986
