Accounting Basics To Understand Yardi

Eric Tyson, Griswold

Accounting Basics To Understand Yardi:

Property Management For Dummies Griswold, 2011-03-16 You'll need to wear many hats in the business of property management: advertiser, promoter in seeking tenants, host in showing your property, handyman in keeping up with and arranging repairs, bookkeeper in maintaining records, and even counselor in dealing with tenants and their problems. But *Property Management For Dummies* will help you maintain your sense of humor and your sanity as you deal with these challenges and more. You may become an unintentional property owner: someone who inherited a house from a relative and didn't want it to sit idle, or someone who transferred to a job in another city and decided to rent your home rather than sell it, or you may have entered the world of property ownership intentionally. Either way, real estate offers one of the best opportunities to develop a steady stream of residual income. *Property Management For Dummies* is organized by specific topic areas so you can easily and quickly scan a topic that interests you or you can troubleshoot the source of your latest major headache. You'll discover how to evaluate your skills and personality to see whether you have what it takes to be a landlord. Keep your units occupied with paying tenants who don't destroy your property. Move in your new tenants and move them out and everything in between. Assemble the right team of professionals to help you, from employees to contractors. Insure your property and understand the taxes that go with it. Look for additional sources of income beyond rent, including the opportunities and pitfalls of lease options. While many of life's lessons can be uncovered by trial and error, property management shouldn't be one of them; the mistakes are too costly and the legal ramifications too severe. In this book, you'll find proven strategies to make rental property ownership and management not only profitable but pleasant as well.

The Unofficial Guide to Managing Rental Property Melissa Prandi, MPM, 2005-01-21 The inside scoop for when you want more than the official line. So you've decided to invest in real estate: congratulations! But now you need to know how you can best manage your property and maximize your profit. How much should you spend on renovations? Where will you find responsible tenants? And how can you keep on top of new government regulations? *The Unofficial Guide to Managing Rental Property* answers these questions and many more, giving you insider guidance and valuable tips on managing and profiting from your investments. You'll find savvy advice on everything from legally setting rental criteria and managing properties part time to successfully evicting delinquent tenants and collecting damages. This comprehensive, easy-to-follow guide reveals what other sources can't or won't: presenting unbiased recommendations to help you get the most out of your investments and enjoy them. Vital information on finding and financing great rental property and calculating rent and profit. Insider secrets on selecting and retaining good tenants, ensuring on-time rent and collecting late rent. Money-saving tips for rehabbing a property and obtaining good tax advice. The latest trends in writing legal, effective ads and interviewing and screening applicants to avoid potential problems. Handy forms and letters for contracting new tenants and communicating with current occupants.

Real Estate Investing For Dummies Eric Tyson, Griswold, 2011-03-08 This is simply the best book on

the topic Randall Bell Author Home Owner s Manual Tyson and Griswold have truly opened the world of real estate investing to all by tackling often complex issues in this easy to understand and use book I can t think of a better way to get smart about building wealth through rental properties than to read their excellent Real Estate Investing For Dummies Vern Hoven CPA Non prime time TV is cluttered with infomercials about how you can buy non prime real estate for next to nothing and get rich quick Common sense should tell you that s an exaggeration If common sense doesn t tell you bankers will Nevertheless it is possible to get rich gradually by investing in real estate Long term you can expect to realize an annual return of 8 to 10% a year Real Estate Investing for Dummies gives you the keys to successful real estate investment whether it s in single family homes and condos apartments vacation homes commercial properties office industrial and retail raw land or REITs Real Estate Investment Trusts With guidance from authors Eric Tyson MBA a financial counselor and Robert S Griswold a veteran real estate investor you ll discover how to Find and buy the best properties at a fair price Capitalize on opportunities such as foreclosures no money down deals auctions tax sales and more Secure financing and good mortgage terms Value evaluate and negotiate everything to do with real estate Work with agents and other professionals Project income potential and cash flow Handle contracts inspections and closings Whether you re interested in a fixer supper for rental premier office space you can lease or a vacation home you can enjoy and rent when you become a buyer you also become a landlord That means you can hear from tenants any time night or day It means you may not hear from them when the rent is due Real Estate Investing for Dummies also helps you Find and keep good tenants Negotiate lease agreements Insure and maintain your property Keep good records for tax and accounting purposes Remember with any deal you have to know when to hold them and know when to fold them So Real Estate Investing for Dummies gives you guidelines on when and how to sell and how to reinvest to build wealth It also lists 10 real estate investments you shouldn t touch with a 10 foot pole Especially if you re tempted by those late night infomercials that warning could save you a fortune
