Dark Files Book 1 Various, Published by PSICOM Publishing Inc      Viola Desmond's Canada Graham Reynolds,2016-03-30T00:00:00Z In 1946 Viola Desmond was wrongfully arrested for sitting in a whites only section of a movie theatre in New Glasgow Nova Scotia In 2010 the Nova Scotia Government recognized this gross miscarriage of justice and posthumously granted her a free pardon Most Canadians are aware of Rosa Parks who refused to give up her seat on a racially segregated bus in Alabama but Viola Desmond s act of resistance occurred nine years earlier However many Canadians are still unaware of Desmond s story or that racial segregation existed throughout many parts of Canada during most of the twentieth century On the subject of race Canadians seem to exhibit a form of collective amnesia Viola Desmond s Canada is a groundbreaking book that provides a concise overview of the narrative of the Black experience in Canada Reynolds traces this narrative from slavery under French and British rule in the eighteenth century to the practice of racial segregation and the fight for racial equality in the twentieth century Included are personal recollections by Wanda Robson Viola Desmond s youngest sister together with important but previously unpublished documents and other primary sources in the history of Blacks in Canada NEW Teaching Guide Available Here      **Annual Report** Mpumalanga (South Africa). Department of Education,2012      **Shakespeare's Law** Mark Fortier,2022-05-30 Shakespeare s Law is a critical overview of law and legal issues within the life career and works of William Shakespeare as well as those that arise from the endless array of activities that happen today in the name of Shakespeare Mark Fortier argues that Shakespeare s attitudes to law are complex and not always sanguine that there exists a deep and perhaps ultimate move beyond law very different from what a lawyer or legal scholar might recognize Fortier looks in detail at the legal issues most prominent across Shakespeare s work status inheritance fraud property contract tort especially slander evidence crime political authority trials and the relative value of law and justice He also includes two detailed case studies of The Merchant of Venice and Measure for Measure as well as a chapter looking at law in works by Shakespeare s contemporaries The book concludes with a chapter on the law as it relates to Shakespeare today The book shows that the legal issues in Shakespeare are often relevant to issues we face now and the exploration of law in Shakespeare is as germane today though in sometimes new ways as in the past      *United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 2* ,      **Black Youth Aspirations** Botshabelo Maja,2021-11-10 This book is about how to trigger the capacity to aspire among black youth Examining the transition out of adulthood and imagined futures of black youth Maja helps us understand how black youth aspirations might be raised and how a better future for young people can be achieved      Congressional Record United States.
