Ancient Israel's History An Introduction To Issues And Sources:

Ancient Israel's History Bill T. Arnold, Richard S. Hess, 2014-11-11 The history of Israel is a much debated topic in Old Testament studies On one side are minimalists who find little of historical value in the Hebrew Bible On the other side are those who assume the biblical text is a precise historical record Many serious students of the Bible find themselves between these two positions and would benefit from a careful exploration of issues in Israelite history This substantive history of Israel textbook values the Bible's historical contribution without overlooking critical issues and challenges Featuring the latest scholarship the book introduces students to the current state of research on issues relevant to the study of ancient Israel The editors and contributors all top biblical scholars and historians discuss historical evidence in a readable manner using both canonical and chronological lenses to explore Israelite history Illustrative items such as maps and images visually support the book's content Tables and sidebars are also included

Introduction to the Old Testament Bill T. Arnold, 2014-04-07 This volume introduces the Old Testament also known as Israel's Scriptures or the Hebrew Bible to students and other curious readers It distinguishes itself from other such introductions by tracing the legacy of monotheism in ancient Israel and the enduring contribution of the Old Testament for contemporary readers The book includes discussions of history comparative religions sociology contemporary scholarship and archaeology but focuses primarily on the literary features of the Old Testament Along the way the book explains the Old Testament's continued relevance for today by tracing its monotheism giving this study a currency for twenty first century readers

The Oxford Handbook of the Historical Books of the Hebrew

Bible Brad E. Kelle, Brent A. Strawn, 2020 This collection of essays provide resources for the interpretation of the Historical Books of the Hebrew Bible that includes the books of Joshua Judges Samuel Kings Chronicles Ezra and Nehemiah The contributors to this collection are guided by two primary questions 1 What does this topic have to do with the Old Testament Historical Books and 2 How does this topic help readers better interpret the Old Testament Historical Books By first providing a critical survey of prior scholarship each essay prepares the reader before presenting current and prospective approaches to understanding these texts

Encountering the Old Testament (Encountering Biblical Studies) Bill T. Arnold, Bryan E. Beyer, 2024-10-01 This new edition of a bestselling evangelical survey of the Old Testament has been updated throughout It is lavishly illustrated with four color images maps and charts and retains the pedagogical features that have made the book so popular chapter outlines objectives and summaries study questions sidebars featuring primary source material and ethical and theological issues lists of key terms people and places further reading recommendations Additional resources for students and instructors are available through Textbook eSources

The Oxford Handbook of Hosea Brad E. Kelle, 2024 The Oxford Handbook of Hosea offers 32 essays on the Hebrew Bible prophetic book of Hosea Following an introductory essay examining the relevance of the study of Hosea the essays are organized around five nodes 1 History Text and Composition 2 Key Texts Established and Emerging Perspectives 3 Theological and Literary Elements Themes and Motifs and 4 Interpretive Theories and Approaches and 5 Reception Each essay examines how its topic has been and is treated within scholarship on the book of Hosea The essays engage traditional theories and newer updates to the same and also engage the textual traditions themselves which are what give rise to compositional analyses Many essays model approaches that move in entirely different ways altogether however whether those are by attending to synchronic literary theoretical or reception aspects of the text at hand Special attention is paid to elements of metaphor gender and violence in the book and its interpretation The contributions range from text critical and dialectical issues to ancient historiography compositional history religious history metaphors feminism womanism postcolonialism masculinity queer theory ecology and reception among others Taken together these essays well represent the variety of options available when it comes to assessing and interpreting this particular biblical book

Journal for the Evangelical Study of the Old Testament, 4.2 Stephen J. Andrews, 2016-02-01 Journal for the Evangelical Study of the Old Testament JESOT is a peer reviewed journal devoted to the academic and evangelical study of the Old Testament The journal seeks to fill a need in academia by providing a venue for high level scholarship on the Old Testament from an evangelical standpoint The journal is not affiliated with any particular academic institution and with an international editorial board open access format and multi language submissions JESOT cultivates and promotes Old Testament scholarship in the evangelical global community The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds Dead Sea Scrolls Rabbinics Linguistics Septuagint Research Methodology Literary Analysis Exegesis Text Criticism and

Theology as they pertain only to the Old Testament JESOT also includes up to date book reviews on various academic studies of the Old Testament

Interpreting Israel's Scriptures Matthieu Richelle, 2022-01-01 Many readers find exegeting a passage from the Old Testament to be a mysterious process How should one begin What methods should one use Written in a pragmatic style *Interpreting Israel's Scriptures* guides the reader by offering concrete methods for exegesis that are illustrated by numerous examples and accompanied by well chosen references to secondary sources This English translation of the 2012 original French version of Richelle's book has been expanded and revised and has been reorganized to have a tripartite structure the making of the text the various facets of the text and the reader in front of the text The book is designed for use in exegesis courses or for personal study and it is designed to be used both by students who know Hebrew and by those who do not The book explores a variety of themes relevant for exegesis including poetry literary genre literary context geographical context historical context structure narrative analysis intertextuality and reception history For those who know Hebrew the book also includes chapters on translation textual criticism and compositional criticism Finally this English edition has two new chapters one on feminist and gender studies and one on postcolonial criticism

Cushites in the Hebrew Bible Kevin Burrell, 2020-01-13 *Cushites in the Hebrew Bible* offers a reassessment of Cushite ethnographic representations in the biblical literature as a counterpoint to misconceptions about Africa and people of African descent which are largely a feature of the modern age Whereas current interpretations have tended to emphasize unfavourable portraits of the people biblical writers called Cushites Kevin Burrell illuminates the biblical perspective through a comparative assessment of ancient and modern forms of identity construction Past and present modes of defining difference betray both similarities and differences to ethnic representations in the Hebrew Bible providing important contexts for understanding the biblical view This book contributes to a clearer understanding of the theological historical and ethnic dynamics underpinning representations of Cushites in the Hebrew Bible

The Oxford History of the Holy Land Robert G. Hoyland, H. G. M. Williamson, 2023 The story of the Holy Land encompassing the three millennia that saw the birth of Judaism Christianity and Islam Each chapter is written by a leading scholar
