And Then I Found You Patti Callahan Henry, 2013-04-09 Kate Vaughan is no stranger to tough choices She's made them before Now it's time to do it again Kate has a secret something tucked away in her past And she's getting on with her life Her business is thriving She has a strong relationship with her family and a devoted boyfriend whom she wants to love with all her heart If Kate had ever made a list Rowan would fill the imagined boxes of a perfect mate But she wants more than the perfect on paper relationship she wants a real and imperfect love That's why when Kate discovers the small velvet box hidden in Rowan's drawer she panics It always happens this way Just when Kate thinks she can love just when she believes she can conquer the fear she's filled with dread And she wants more than anything to make this feeling go away But how When the mistakes have been made and the running is over it's time to face the truth Kate knows this She understands that a woman can never undo what can never be undone Yet for the first time in her life she also knows that she won't fully love until she confronts those from her past It's time to act Can she do it Can she travel to the place where it all began to the one who shares her secret Can the lost ever become found And Then I Found You gives new life to the phrase inspired by a true story By travelling back to a painful time in her own family's history author Patti Callahan Henry explores the limits of courage and the price of a selfless act
