Angels, Let's Talk Orlando Constantine, 2007-10 The anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though

Greenfield,2013-06-11 In this book Jarred has become the Chairman of the Rectification Committee Jarred knew when he

selected the Committee's members that the men had to be special brave and revengeful. These men came together to reach their ultimate goal to bend the outcome of humanity. However, when Jarred unexpectedly morphs into a hybrid personality with supernatural powers that he didn't have in the first book, he is faced with difficult challenges. These powers and being the Chairman of the Rectification Committee have Jarred constantly struggling with the good and evil of his powers. But Jarred comes to find out that he's not the only one that has these unique powers. The book reflects his constant agony with his powers dilemma. The powers could not help Jarred or the Committee attain its goal for humanity. Instead, after the Committee's mission to Syria, the powers backfire terribly, and Jarred is saddened by the events that unfolded. All Jarred wanted was to move closer to the fragrance of Christ and away from the stench of death. Through these difficult times, Jarred always found himself asking, "Why me, Lord? Why me?" And God always responded, "Don't worry about that now, Jarred."
