but the delay was sparing you from an accident down the road Have you ever felt the urge to help another human in need with an act of kindness In all of life s experiences things are going on behind the scenes unseen including the working of angels We may not see them other than in glimpses or through revelation but they are there They are invisible friends more for us than against us Myriads upon myriads and thousands upon ten thousands there are more of them than can be numbered They bring help to those who call out for healing encouragement peace and protection all at God s bidding In a time such as this it is comforting to know there are angels among us **Angels Among Us Magabook** E.
