## **Angels Wear Lipstick Based On A True Story:**

**Angels Wear Lipstick** Amarissa Cale, 2014-11-15 Born to teen parents in 1964 Katie's parents treated her like a showpiece and a punching bag for her resentful mother. Her life revolved around flashing camera bulbs and tyrannical abuse by both her parents. Despite suspicion surrounding what took place behind the Pryor's closed doors, friends, family, and professionals alike remained silent. Believing that Katie was not his child, her father did the unthinkable in an effort to gain the truth from his wife. Katie never would forgive her mother for her reaction to the molestation, even after her tormentor died in a horrific accident. Leaving Leda to raise the young teen Katie alone, she became more resentful and violent toward her only child. Katie becomes what would be termed a problem child and runs away from home to make her way on the streets of Toronto. Katie struggles and eventually finds peace until duty calls her home to care for an invalid mother. Strong characters and the life-altering events that follow them will keep you riveted to the very last word. *Angels Wear Lipstick* is the first of a series. The second book follows the struggles of Katie as she cares for her ailing mother. Both novels are stand-alone and can be read as separate stories. Names have been changed to protect the innocent. Contains adult content. Intended for audiences 18 up. I can't wait to find out what happens next. It's like reading my favorite book all over SLD. [Weddings Do](#)

**Come True** (Mills & Boon Vintage Cherish) Cara Colter, 2013-11-28 **THE RIGHT HUSBAND** **Tomorrow's Memories** Angeles Monrayo, 2003-03-31 Angeles Monrayo 1912-2000 began her diary on January 10, 1924, a few months before she and her father and older brother moved from a sugar plantation in Waipahu to Pablo Manlapit's strike camp in Honolulu. Here for the first time is a young Filipino girl's view of life in Hawaii and central California in the first decades of the twentieth century, a significant and often turbulent period for immigrant and migrant labor in both settings. Angeles' vivid, simple language takes us into the heart of an early Filipino family as its members come to terms with poverty and racism and struggle to build new lives in a new world. But even as Angeles recounts the hardships of immigrant life, her diary of everyday things never lets us forget that she and the people around her went to school and church, enjoyed music and dancing, told jokes, went to the movies, and fell in love. Essays by Jonathan Okamura and Dawn Mabalon enlarge on Angeles' account of early working-class Filipinos and situate her experience in the larger history of Filipino migration to the United States.
