

The background of the book cover is a Roman mosaic. The upper portion features a bull on the left and a lion on the right, both depicted in a stylized, ancient manner. The lower portion of the mosaic consists of a repeating geometric pattern of interlocking squares and lines. The overall color palette is earthy, with shades of brown, tan, and muted purple.

Animals and Animality in the Babylonian Talmud Beth A. Berkowitz, 2018-04-19 This book offers new perspectives on animals and animality from the vantage point of the rabbis of the Babylonian Talmud **Animals, Gods and Humans** Ingvild Saelid Gilhus, 2006-09-27 Consulting a wide range of key texts and source material *Animals Gods and Humans* covers 800 years and provides a detailed analysis of early Christian attitudes to and the position of animals in Greek and Roman life and thought Both the pagan and Christian conceptions of animals are rich and multilayered and Ingvild S lid Gilhus expertly examines the dominant themes and developments in the conception of animals Including study of biographies of figures such as Apollonus of Tyana natural history the New Testament via Gnostic texts the church fathers and from pagan and Christian criticism of animal sacrifice to the acts of martyrs the source material and detailed analysis included in this volume make it a veritable feast of information for all classicists *Animals on the Agenda* Andrew Linzey, Dorothy Yamamoto, 1998 This encyclopaedic volume is the most comprehensive collection of original studies on animals and theology every published With contributors from both sides of the Atlantic it tackles many apparently simple issues which raise fundamental questions about theology and how it is done **The Routledge International Handbook of Human-Animal Interactions and Anthrozoology** Aubrey H. Fine, Megan K. Mueller, Zenithson Y. Ng, Alan M. Beck, Jose M. Peralta, 2023-09-26 This diverse global and interdisciplinary volume explores the existing research practice and ethical issues pertinent to the field of human animal interactions HAIs interventions and anthrozoology focusing on the perceived physical and mental health benefits to humans and the challenges derived from these relationships The book begins by exploring the basic theoretical principles of anthrozoology and HAI such as the evolution and history of the field the importance of language the economic costs and current perspectives to physical and mental wellbeing the origins of domestication of animals anthropomorphism and how animals fit into human societies Chapters then move onto practice covering topics such as how animals help childhood and adulthood development pet ownership disability the roles of pets for people with psychiatric disorders the links between animal and domestic abuse and then more widely into the therapeutic roles of animals animal assisted therapies interactions outside the home working animals animals in popular culture and animals in research for leisure and food Including chapters on a wide range of animals from domesticated pets to wildlife this collection examines the benefits yet also reveals the

complexity and often dark side of human animal relations Interweaving accessible commentaries with revealing chapters throughout the text this collection would be of great interest to students and practitioners in the fields of mental health psychology veterinary medicine zoology biology social work history and sociology

Interactions between Animals and Humans in Graeco-Roman Antiquity Thorsten Fögen, Edmund V. Thomas, 2017-08-21 The seventeen contributions to this volume written by leading experts show that animals and humans in Graeco Roman antiquity are interconnected on a variety of different levels and that their encounters and interactions often result from their belonging to the same structures networks and communities or at least from finding themselves together in a certain setting context or environment wittingly or unwittingly Papers explore the concrete categories of interaction between animals and humans that can be identified in what contexts they occur and what types of evidence can be productively used to examine the concept of interactions Articles in this volume take into account literary visual and other types of evidence A comprehensive research bibliography is also provided

In the Eye of the Animal Patricia Cox Miller, 2018-07-31 In the Eye of the Animal Zoological Imagination in Ancient Christianity complicates the role of animals in early Christian thought by showing how ancient texts and images celebrated a continuum of human and animal life
